Purpose

To support the Navarro ISD Long Range Plan for Technology (LRPT) 2017-2022, a standard set of classroom technology hardware standards were included in the planning process. The purpose of the classroom technology hardware standards is to ensure that each classroom is equipped with technologies that best support teacher and student learning needs. The standards are designed to not limit the types of technologies that may be included or used within the classroom, but are designed to provide a minimum standard of technology equipment and resources available to each classroom and computer lab. The classroom technology included in this plan meet the goals and objective of the Technology Literacy and Proficiency Program (TLPP) for Educators, Technology Application standards for students and teachers, the long range plan for technology and Navarro ISD school board goals and objectives.

Classrooms

The following items are minimum standards for classroom hardware available to teachers and students. This does not limit the possibility that specific content areas may need technology resources in addition to the items listed below. The standard are set to ensure that each classroom a teacher utilizes is equipped with the same technologies to best facilitate use of space, sharing of classrooms and professional development to support increased use of existing technology resources.

Equipment	Description	Explanation	Quantity
Teacher Workstation	Navarro ISD approved Laptop Workstation with docking station, standard keyboard, mouse and flat panel monitor.	Current Model Available	1
Student Workstation ¹ (Elem)	Navarro ISD approved tablet with charging cart shared between 2 classrooms.	Current Model Available	24
Student Workstation ² (Intermediate)	Navarro ISD approved Chrome book with charging cart shared	Current Model Available	24

	between 2 classrooms		
Student Workstation ³ (JH and HS)	Navarro ISD approved Chrome book - 1:1 device per student	Current Model Available	1:1
Student Workstation ⁴ (library and checkout lab)	Navarro ISD approved chrome boxes with approved flat panel monitor, keyboard and mouse	Current Model Available	Per classroom specifications and size
Student Workstation ⁵ (Technology Applications and CTE Labs)	Navarro ISD approved desktop workstation with approved flat panel monitor, keyboard and mouse.	Current Model Available	Per classroom specifications and size
Projection Device	Navarro ISD approved interactive projector.	Current Model Available	1
Printer	Navarro ISD approved laser printer - Black and White	Current Model Available	1
Document Camera (Science Classrooms)	Navarro ISD Approved camera	Current Model Available	1

Navarro ISD Hardware Standards

Navarro ISD Approved Teacher Workstation		
Hardware	Laptop	2 pounds or less
	Touch Screen	Removable/Detachable Keyboard
	Interactive Pen	Wireless
	13" - 15" screen	Docking Station
	16GB RAM	Quad Core Processor
	512 GB Hard Drive	24" LCD Monitor
	External Keyboard	External Mouse
	Integrated Web Cam	4 Year basic limited warranty

Navarro ISD Approved Student Workstation ¹		
Hardware	Standard iPad	Charging and Moveable Cart

Navarro ISD Approved Student Workstation²

Hardware	Chrome Book	Charging and Moveable Cart

Navarro ISD Approved Student Workstation³

Hardware	Chrome book	Charger

Navarro ISD Approved Student Workstation⁴

Hardware	Chrome Box or Comparable	24" LCD Monitor
	External Keyboard	External Mouse
	Head Phones	

Navarro ISD Approved Student Workstation⁵

Hardware - Technology Applications	Desktop Workstation	16 GB RAM
	I7 Quad Core Processor	Integrated Video Card
	24" LCD Monitor	512 GB Hard Drive
	External Keyboard	External Mouse
	Head Phones	
Hardware - Career and Technology Courses	Desktop Workstation	32 GB RAM
	I7 Quad Core Processor	Non-integrated Video Card
	27" LCD Monitor	1TB SSD
	External Keyboard	External Mouse
	Head Phones	

Navarro ISD Approved Projection Device

Hardware	Epson Bright Link Interactive Projector	600 Series or Above
	Standard White Dry Erase Board
