Dear Parents/Guardians:

It is time to plan for our 2020-2021 kindergarten classes. Children are eligible for kindergarten if they reach the age of five on or before October 1, 2020. If your child is new to the Oaklyn Public School and you are planning to send him/her to kindergarten next September, please register for Kindergarten Roundup using the online form on our district website www.oaklynschool.org by clicking on the "Kindergarten/Pre-K Roundup" button on the front page. If you do not have access to the online form, you may complete and return the form below following the directions at the bottom of the page. If your child attends our Oaklyn Preschool Program, you need not sign up for Kindergarten Roundup.

Your help is needed in locating the children who do not have brothers and sisters in school this year. If you have any neighbors with children of kindergarten age, please pass this form on to them. They can also contact the Oaklyn School at (856) 858-0335 to receive additional information regarding our kindergarten program or the registration process.

Registration appointments will be scheduled for March 9 – 12, 2020. The information contained on this form will allow us to contact you to schedule your appointment. ****PLEASE NOTE:** Your email address will be used to schedule your appointment time and send you the link for paperwork needed for the registration process. Thank you for your assistance and welcome to the Oaklyn Public School!

Sincerely,

Scott A. Oswald, Ed.D.
Superintendent of Schools
