KINDERGARTEN REGISTRATION PROCESS (2020-2021)

Kindergarten registration for children entering Kindergarten during the 2020-2021 school year will be held at the Oaklyn Public School, 136 Kendall Blvd., Oaklyn from March 9-12, 2020.

Children are eligible for kindergarten if they reach the age of five on or before October 1, 2020. To be admitted to first grade, new entrants must have attained the age of six on or before October 1, 2020.

How do I register?

- An appointment time is included with this email. If you are unable to make the time provided in your email, please contact Mrs. Diane Silliphant, Oaklyn School Secretary, at 856.858.0335 or dsilliphant@oaklynschool.org.
- The attached Kindergarten Registration Checklist will outline the items needed for your registration appointment.
- In addition, a link to all the documents needed to fulfill the requirements on the checklist is included in the email.

What happens during the registration appointment?

- An elementary school secretary and a school nurse will review all registration and medical documentation required to officially register your child for Kindergarten.

Note: If your child is currently in the Oaklyn Public School Pre-Kindergarten Program, a full registration appointment is not necessary. We will share with you information on required vaccinations, etc. under separate cover.

When will kindergarten orientation take place?

- The first day of school will be reserved for our kindergarten orientation. Parents will be invited to accompany their kindergarten students to school for a welcome and a brief orientation. After orientation, parents will be excused and our kindergarteners will enjoy their first day of school with their new teacher. Kindergarten students will be dismissed with the rest of the student body at 12:30 p.m.

Please read the checklist included in this email thoroughly and have the information prepared for your registration appointment. We look forward to seeing you at registration and welcome you to the Oaklyn School Community!
