

EGF ISD 595 Parents,

School District leaders are currently working on the 2020-21 Returning to School Plan which will include the EGF ISD 595 Flex Option for families who are uncomfortable sending their child(ren) to school for in-person instruction. The District is required to offer a distance learning option for families and planning for the implementation will take time. The distance learning model has been retooled to provide more structure and accountability for students and will be taught by licensed EGF ISD 595 staff members. In order to plan for the implementation of Flex Option plan, administrators need to know how many students will be participating. District officials would prefer that students do not bounce back and forth between the in-person and distance learning models, but also want to provide flexibility for families just in case their circumstances change.

If you would like to enroll your child(ren) in the EGF ISD 595 Flex Option for the start of the 2020-21 school year, please review the following information and return the completed form to the District Office at 1420 4th Avenue NW, East Grand Forks, MN 56721. Completed forms can also be emailed to mkolness@egf.k12.mn.us. The School District would be very grateful if parents could return completed EGF ISD Flex Option Learning Agreements as soon as possible in order to help with the planning process.

EGF ISD 595 Flex Forms will also be available on the district website under the COVID-19 section.

If you have any questions or concerns, please feel free to contact:
