B. For Parents **that have** a current Alma account set up. The following link provides directions on how to setup an account to on-line register. Open it up in a new tab (Window). You need to stay logged into Alma as you go to this link.

Registration Fees can be paid in two ways

1. You can set up an account with MySchoolBucks or use your existing account with them. <https://www.myschoolbucks.com/ver2/login/getmain?requestAction=home>
2. You can pay through ALMA if you have a current Alma Account. The advantage of having an Alma account is you can see your student's grades, attendance, the school calendar, ensure your contact information is up to date, see and pay fees and you can register on-line. If you do not have a current Alma account you can send an email to any of the following and we can send you an invitation to set up your account.
