

Greetings!

While we will always encourage students to come to class prepared, in the context of the pandemic this year, we are providing a general supply list with a goal of reducing “shared supplies” that may need to be sanitized between uses. Specific courses may ask for course specific needs (IE safety glasses for Advanced Woods), which will be communicated when the course syllabus is distributed to students by the teacher.

**HS Recommended Supplies:**

Backpack  
Pencils  
Pens  
Markers  
Kleenex  
Glue sticks  
Post it notes  
Highlighter  
Pencil bag or box  
Hand sanitizer
