WAITSBURG—This year’s Veterans Day Assembly was held in the Waitsburg High School Gymnasium at 1:00 PST, on November 10, 2022. Many members of the community attended, and celebrated Veterans Day with the Waitsburg School District.

The assembly started off with the presenting of the flags by the ASB Leadership class followed by Marion Duncan singing our national anthem. After that, each of the K-5 classes performed something different to honor our veterans.

The whole elementary school, K-5, sang “America the Beautiful.” After that, the WHS ASB officers shared the history of Veterans Day.

The musical portion of the program began with the Kindergarten, who sang “Our Flag,” followed by the first grade singing “Johnny Has Gone for a Soldier.” Then the second grade, sang “Welcome Home,” followed by the third grade singing “Thank a Vet.” Then after them, the fourth grade sang “God Bless America”, followed by the fifth grade, who sang “Green Berets.”

Then the elementary choir sang “America Is”, followed by the middle school and high school choir, singing “America, Thee I Sing.”

After that K-5 presented flowers to the attending female veterans. Then we had a guest speaker, Mr. Ashmoro, by a video, called “God Bless the U.S.A.”

The assembly ended with the “6th Branch Video.” In the band room, refreshments were offered to the attending veterans.

The assembly was a major success. Everybody involved had fun and the assembly flowed well, other than a few technical difficulties.

Outside of the veterans being thanked for their service, Alex Dahlby, member of The Cardinal staff and recently returned from basic training for the U.S. Army, was also called down and thanked for his service by the district superintendent, Mark Pickel.

Thanks to Mrs. Jagelski and all who put on this great program.
Veterans Day

WAITSBURG—Veterans Day is November 11. The day is to honor individuals who have served in the military. This day is also known as Armistice Day in France. We always celebrate Veterans Day on November 11th because World War I ended on the 11th day of the 11th month at 11 a.m.

The first Veterans Day was celebrated in the United States on November 11, 1918. Raymond Weeks, who was a World War II veteran organized “National Veterans Day”, which had a parade and other events to honor all veterans for their service.

In the United States, between 2015 and 2019, there were 18.2 million Veterans. Nearly 2 million veterans belong to the American Legion, which is a non-profit organization for war veterans in the U.S. Their headquarters are in Indianapolis, Indiana. There are many veterans in Waitsburg that are also members of the American Legion.

At Waitsburg High School we have an annual Veterans Day assembly. Many of the veterans in Waitsburg attend the assembly and as a school we honor them.

WAITSBURG—On Tuesday November 22nd, the Waitsburg High School staff and students played a 3-on-3 half court basketball game. The students were declared the victors with a final score of 26 - 23. The student team was made up of seven students: Hendrix Groom, Garrett Palmer, Blake French, Spencer Hansen, Kaylie Wellstandt, Sara Wilson, and Jared Hankins. The five member staff team included Dan LaRue, Nicole Abel, Gabe Kiefel, Matt Elder, and Owen Lanning. Retired staff member, Karen Huwe, and current K-12 Fitness teacher, Dirk Hansen, officiated the game and senior Monte Pettichord acted as the announcer for the game. The game was put on by WHS Leadership class.
Heap of the Month

WAITSBURG--At Waitsburg High School we like to do what the Journalism class calls “Heap of The Month.” This month's car has only been in the parking lot since the beginning of this school year, but hasn't failed to go unnoticed.

Jessika Lambert, a sophomore at WHS, drives a tan Honda minivan. When asked where she got her vehicle she said, “My dad got it...” Her favorite part about her van, she simply said, “nothing”. Lambert made it sound as if she has no care toward her vehicle.

Students in the school had a couple of comments to say about Lambert's vehicle, a senior at WHS, Garrett Palmer stated, “I didn't even know she could drive” another senior at WHS said, “She has a car?”

The new addition has caught some eyes, and maybe even some comments, but hopefully, Jessika gets a better vehicle she actually likes in the future.

Thanksgiving recipe

By Dia Adkins, *The Cardinal*
November 18, 2022

WAITSBURG—On November 24, people gathered around the dinner table to share Thanksgiving meals. On the table are turkey, ham, mashed potatoes, corn casserole, green bean casserole, and baked beans. Here is an easy peasy recipe for your next Thanksgiving feast.

Homemade Pumpkin Pie Recipe

Preheat the oven to 375 degrees F.

*For the pumpkin:* You will need 1 medium sugar pumpkin (about 3 pounds) and canola oil, for oiling pumpkin. Remove the stem from the pumpkin and scrape out the insides, discarding the seeds. Cut the pumpkin in half and lay the pieces cut-side down on a rimmed baking sheet lined with aluminum foil. Rub canola oil over the skin and bake until fork-tender, about 1 hour. Let cool.

*For the easy pie crust:* You will need 2 cups all-purpose flour, plus more for flouring, 1/4 teaspoon salt, 2/3 cup (11 tablespoons) cold unsalted butter, cut into 1/2-inch pieces.

Make the crust while the pumpkin is cooking. In a large bowl, combine the flour and salt. Add in the butter and work into the dough with a fork until the mixture is crumbly. Stir in just enough cold water (4 to 5 tablespoons) with a spoon just until the flour is moistened. Divide the dough in half, shape each half into a ball and flatten slightly. Wrap one ball in plastic wrap and refrigerate for another use.

Roll out the remaining dough ball on a lightly floured surface to a 12-inch round. Transfer to a 9-inch-diameter glass pie dish. Fold the overhangs under and crimp decoratively. Pierce the dough all over with a fork. Chill in the refrigerator for 15 minutes.

Line the crust with foil, fill with dried beans or pie weights, and bake until the sides are set, about 12 minutes. Remove the foil and beans. Reduce the oven temperature to 350 degrees F.

*For the filling:*
One 14-ounce can sweetened condensed milk
1/2 cup whipping cream
2 tablespoons cornstarch
2 tablespoons molasses
2 tablespoons canola oil
1 tablespoon ground cinnamon
1 teaspoon ground ginger
3 large eggs

Scoop out the pulp from the roasted pumpkin and puree in a food processor until smooth (you should have about 4 cups). Add the condensed milk, cream, cornstarch, molasses, canola oil, cinnamon, ginger, salt, and eggs, and combine thoroughly.

Pour the filling into the crust and bake until the filling is set in the center, about 1 hour. Transfer the pie to a rack and cool for 30 minutes. Serve at room temperature or chilled.

WAITSBURG—Thanksgiving is one of the biggest holidays of the year, and personally one of my favorites. Not only do you get to be around family but you get one of the best dinners of the year. The journalism class at Waitsburg High School got asked questions based on Thanksgiving. Down below is the class's responses.

Clubs at Waitsburg High School

By Brandon Leroue, *The Cardinal*
November 3, 2022

WAITSBURG--Waitsburg High School has a few clubs, so let’s look at one of those clubs. The club spotlighted in this edition of *The Cardinal* is FFA. This club was also known as Future Farmers of America, but today it is just known as FFA.

The club leader is Mrs. Abel. Like any club, there are events and things they do each month. For the month of November they are planning on doing the following things. Weekly, the group has officer meetings and Vet Science practice. During the month, they have the following things planned.

- November 15: District 6 Day of Service in Dayton
- November 19: Chapter Officer Training in Colton
- November 30: Farm to Fork Dinner and meeting

FFA was established in the year 1928. Its main goal was to help train and mold the next leaders and to grow into their career with success. The people who founded FFA were Henry C. Groseclose, Edmond Magil, Walter Stephonny Newmen, and Harry Sanders.

The FFA club also has a creed written by E.M Tiffany.

I believe in the future of agriculture, with a faith born not of words but of deeds – achievements won by the present and past generations of agriculturists; in the promise of better days through better ways, even as the better things we now enjoy have come to us from the struggles of former years.

I believe that to live and work on a good farm, or to be engaged in other agricultural pursuits, is pleasant as well as challenging; for I know the joys and discomforts of agricultural life and hold an inborn fondness for those associations which, even in hours of discouragement, I cannot deny.

I believe in leadership from ourselves and respect from others. I believe in my own ability to work efficiently and think clearly, with such knowledge and skill as I can secure, and in the ability of progressive agriculturists to serve our own and the public interest in producing and marketing the product of our toil.

I believe in less dependence on begging and more power in bargaining; in the life abundant and enough honest wealth to help make it so—for others as well as myself; in less need for charity and more of it when needed; in being happy myself and playing square with those whose happiness depends upon me.

I believe that American agriculture can and will hold true to the best traditions of our national life and that I can exert an influence in my home and community which will stand solid for my part in that inspiring task.
