By Aubri Araya, *The Cardinal*  
April 18, 2023

WAITSBURG--The Waitsburg High School art show was held on March 29 and March 30, 2023. Blake French a junior here at WHS had the brilliant idea spark up in his ASB Leadership class when he and his fellow classmates got asked to come up with activities for the rest of the school year where anyone could participate. All WHS students were encouraged to share their art.

Mrs. Susan DeRuwe, a retired Prescott School District art teacher, spent two days with Mrs. Groom's morning classes teaching the students two forms of art: Neurographic Watercolor paintings and Paper Collages. Fifteen students entered their art to be judged and many others presented their art to be looked at.

April 20, 2023

WAITSBURG- Over Spring Vacation, Jessika Lambert went with her group called Girl's Scouts of America and traveled to Savannah, Georgia.

When asked, "What did you do on the trip," Jessika said, "On Sunday, we visited the birthplace of the founder of Girl Scouts of America, Juliette Gordon Low. On Monday, we went to Tybee Island for a lighthouse tour. On Tuesday, we went to Old Fort Jackson and participated in the Girl Scout Militia. After dinner, we went on a ghost trolley tour. On Wednesday, we went on a walking tour of the Central Georgia Railway and left painted rocks at Juliette's gravesite".

The last question for Jessika was, "Did you enjoy the trip?" She said, "I would like to do it again."

By Alyssa Segraves, *The Cardinal*

April 11, 2023

WAITSBURG--The sport of golf. It is a popular sport worldwide and is played on a large outdoor course. The object of golf is to propel a small, white ball into a hole in the ground with the fewest number of strokes possible using a wood or iron tipped stick called a golf club. Our Dayton-Waitsburg golf team comes with six players, three guys and three girls. Waitsburg High School golfers are Abbi Paolino, William Daves, and Sarah Daves.

In the month of April, they had three tournaments, with two being away at Tri-Cities Prep. Way to go golfers!

## Gaudy Gals on Main

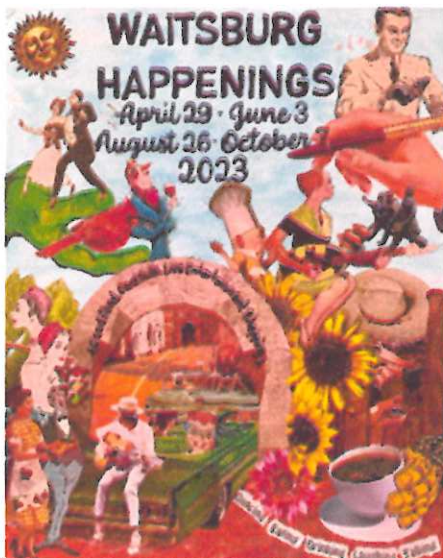

By Hendrix Groom, *The Cardinal*  
April 24, 2023

WAITSBURG--Operators of a longtime furniture, art, and gift booth at the Country Store have launched their own store in Waitsburg. Sisters Lori Davis and Kimi Bruzas left their Walla Walla location and opened up their own shop Gaudy Gals on Main, located in Waitsburg Town Hall on 121 Main Street.

The shop opened on February 22, 2023, and the store hours currently are Wednesday-Saturday from 11 AM to 5 PM. They have a Facebook page where they update their new items in their shop and talk about events they host; you can find them if you search "Gaudy Gals on Main" in your Facebook search and give them a like.

The sisters sell many unique things such as vintage jewelry, furniture, art, and so much more. The shop was described as a vintage shop and also "... they source their store's contents from far and wide, traveling to Spokane and Seattle and points in between, offering vintage furniture and other items at reasonable prices" said in *The Waitsburg Times* article on the grand opening on the newest shop.

Waitsburg is happy to have the sisters' shop and I encourage you to stop in a see the shop for yourself.

*Gaudy Gals on Main*

The shop will be open later on these dates
