KSHSAA STUDENT-ATHLETE PRE-PARTICIPATION COVID-19 QUESTIONNAIRE

Based on awareness of potential cardiopulmonary issues in adolescents who have had or been exposed to COVID-19, the American Medical Society for Sports Medicine, the National Federation of High School Associations and the KSHSAA Sports Medicine Advisory Committee recommend a preseason screening of students prior to participating in athletics.

This questionnaire is to be completed and turned in to the school prior to the student’s first sports practice (including Spirit) of the 2020-21 school year. It is recommended students/parents complete this form 1-2 weeks prior to the start of the season in case follow-up evaluation is necessary. If timing allows it should be done in conjunction with the student’s pre-participation physical exam. This form is NOT intended to replace the recommended daily screening procedures for all students participating in activities.
