

***** TRANSPORTATION NOTICE *****

Please be advised, due to safety concerns for the students, the full capacity of many of the buses, and the number of bus passes issued, it has been determined this has become an unsafe practice.

The School Board has agreed that starting with the 2020/2021 School year, **we will no longer issue bus passes.** In the case where no one will be at the assigned bus stop for your student, parents will need to have their student picked up at school. This is for the SAFETY of our students.

We appreciate your cooperation in helping us keep the children safe.

Please feel free to contact the Transportation Department if you have questions.
