August 5, 2020

Dear WCMS Families:

It is with enthusiasm that we begin the 2020-2021 school year at Warren County Middle School differently than ever before; virtually! On behalf of the entire staff, we look forward to working with our students and families virtually, face to face, and/or the hybrid format. Please know that we are embarking upon this educational journey together and will be successful and productive.

This year, we will be embedding STEAM (Science, Technology, Engineering, Arts and Math) and Google Education into all of our classes to support the instructional focus of the school. Our goal is to enhance teaching and learning and to provide dynamic learning experiences that you will never forget. As a result, it will improve our school's performance grade. We encourage you to form a strong partnership with your child's teachers and our entire school family.

This year, we will operate on a seven period instructional day with an intervention/remediation period. Every student will have access to a Chromebook to use at home during the virtual learning format. We are pleased to announce that Warren County Middle School students who scored well on various assessments and earned grades of A/B will have an opportunity to engage in high school courses for credit. We are extremely pleased to report that in 2020-2021, the high school courses; Math I, World History, and Spanish I (Year-long) will be offered.

The success of our school relies upon a strong partnership of mutual respect and support between the school and its families. We encourage you to commit to the success of your child's education.

Enclosed you will find two copies of your child's schedule; one copy is the virtual learning schedule that will be used starting August 17th and the second copy is the traditional school schedule for when they return. Please know that the school will be communicating with you via telephone, email, and the school's website that will be updated frequently with pertinent information. Feel free to contact the administration at dcarrington@warrenk12nc.org or aeaster@warrenk12nc.org, if you have any questions or concerns.

Educationally Yours,

Dr. Dennis L. Carrington, Jr.
Interim Principal

Mrs. Angela Lee-Easter
Interim Assistant Principal
