

# USD 218

## Hybrid

What to  
Expect

### Instruction:

- Students are assigned to a stable group and will attend school in a controlled environment while also engaged in remote learning

### Students with Exceptionalities:

- Special education services will be provided consistent with each student's participation in hybrid learning. Individualized Continuity Learning Plan, (ICLP's) will be developed

### Health and Safety Precautions:

- Temperatures will be taken for staff and students upon entering the building/loading the bus for the day
- Hand washing/sanitizing takes place upon entrance of buildings and at regular intervals, no less than once every hour, throughout the day
- Physical distancing as feasible is implemented with in-person instruction in classrooms, and six-feet distancing w/ infrequent or incidental moments of closer proximity at all other times
- Face coverings will be provided to all staff and students

### Classrooms:

- Students and staff will be in assigned groups, attend on-site with a set schedule, and have limited access to the building
- Students will be assigned seats
- The sharing of school supplies/materials will be limited to the greatest extent possible
- Hand sanitizers will be available in classrooms

### Transitions:

- Students and staff will have limited transitions from one area of the building to another

### Extra and Co-curricular:

- All USD 218 activities and events may be canceled and/or postponed at anytime through the guidance of KSHSAA and Morton County Health Department

### Food Service:

- Curbside meals at designated areas

### Transportation:

- Transportation will be provided to eligible students
- Temperature checks will take place as students load the bus for the morning routine
