## On-Site Learning

What to  
Expect

### **Instruction:**

- All students and staff return to building

### **Students with Exceptionalities:**

- Support will continue to students with special needs

### **Health and Safety Precautions:**

- Temperatures will be taken for staff and students upon entering the building
- Hand washing/sanitizing takes place upon entrance of buildings
- Physical distancing as feasible
- Face coverings will be provided to all staff and students

### **Classrooms:**

- The sharing of school supplies/materials will be limited to the greatest extent possible
- Hand sanitizers will be available in classrooms

### **Transitions:**

- Reduce the use of lockers when feasible
- Minimize students traveling between buildings and/or classrooms

### **Extra and Co-curricular:**

- Maintain an attendance roster for activities that take place
- Use appropriate precautions based on the activity

### **Transportation**

- Transportation will be provided to eligible students
- Temperature checks will take place as students load the bus for the morning routine

### **Food Services:**

- Breakfast and lunch will be made available for students and be served in the cafeteria and/or other designated areas at all locations
- Physical distancing will take place with additional seating added
