

**31% of our students are now part of JTPS's Reading Wall of Fame! Our school goal is to have 100% of our students' name listed on our Reading Wall of Fame by JUNE! Hope you will take on a reading challenge this year to help us reach our goal.**

We have a total of **180 students on the reading wall of fame at JTPS!** I'm happy to report that we had 23 NEW challengers this time around! Mrs. Warycha's class returned the most reading passports and earned EXTRA RECESS TIME!

**Let's also congratulate the 24 students who have completed ALL OF OUR READING CHALLENGES! They make up 4% of our school population and 13% of our reading wall of famers! That is a true honor. Keep it up! YOU HAVE A FEW MORE CHALLENGES TO COMPLETE! Let's see who can make it until the end and let's see how many students will join them on the reading wall of fame.**

**So- how can we reach our goal? Complete our *Grow into a Reader- Spring Reading Challenge!* A challenge is a challenge. It goes above and beyond your daily reading habits. So- if you and your family read one book a night- make it two. If your child reads 20 minutes a night- push it to 30. Let's continue to grow and grow as readers this spring! The class with the most participation will receive something a lil' extra for their team efforts.**

**More information will be coming home soon. Keep your eyes peeled! 🧐**

Quick reminder of how you can support your child at home. Check out numbers 3 and 4 !

### *A NOTE FROM MRS. LABANSKY-*

*I cannot thank you all for your support and feedback regarding our challenges! As a mom myself, I always appreciate the gentle reminders to make reading a priority at home- and that's coming from a literacy specialists herself! I hope you have found the reading challenges this year a good use of your family's time. Rest assured- the time you spend in books together as family now will carry your child far beyond John Trumbull Primary School.*

*Much Gratitude,  
Mrs. Labansky*
