Families! We're excited to announce this year's main fundraiser— the Judson Fun Run kicking off on April 20th! Our goal this year is to raise \$10,000 to fund a new PA sound system upgrade for our theater program and new and upgraded library materials and resources for ALL students at Judson!

We're excited for this fundraising experience because it offers 3 things to our school: a powerful fundraising platform, a character enrichment program AND a fitness focused event that includes all of our students, regardless of your family's financial participation.

As a family, you will work together asking family and friends to donate to your student for every lap that they complete at our Fun Run event on May 1st. ALL students will complete 35 laps! The best part is, you can still support our school just by SHARING about the event!

Along the way, students will also experience an amazing character enrichment program teaching them about Gratitude, Stewardship, Bravery, Perseverance and Wonder through this year's new character theme, Grand Land Adventure!

We will share more details on this as we get closer to our kick-off.
