ADMINISTRATIVE REVIEW

Additional situations not defined in this handbook will be at the discretion of the administration. All decisions made will be done so with the best interest of the students in mind.

ACTIVITIES DIRECTOR'S MESSAGE

Welcome to May-Port CG Public School Activities. The school district supports the activities program as a positive extra-curricular activity. We will use the following guidelines:

1. Activity participants are treated as regular students. No special consideration is given them for grades or assignments.
2. The activities programs are conducted for the benefit of the participants with maximum concern for their safety, health, and well-being.
3. Full allegiance must be given to the North Dakota High School Activities Association and its constitution and by-laws.
4. All involved must be mindful that participation in activities is a choice and a privilege earned by meeting certain expectations. The same holds true for both student and non-student spectators.
5. It is the policy of May-Port CG Public Schools that educational activities, employment programs and services are offered without regard to race, national origin, sex, religion, disability or age.

In pursuance of these policies and beliefs, the activities are organized under the direction of the Activities Director, who is directly responsible to the Superintendent.

Students are encouraged to participate in at least one of the activities offered by the May-Port CG Public Schools to bring added fulfillment to their school experience.

 - c. Must be in attendance at school for more days than they are absent in order to participate.

WEEKLY ACADEMIC ELIGIBILITY

1. The May-Port CG School District goes beyond the criteria set in number 1 above.
2. The following criteria will be used:

 - c. A student who is found to be failing no more than one subject will be placed on a warning status for that week. If during the subsequent week the student who was placed on warning status is still failing any subject, the student will be considered ineligible and will not be allowed to compete with his/her group.
 - d. If a student is failing more than one subject during a weekly check, that student will be considered ineligible and will not be allowed to compete with his/her group.
 - e. The eligibility check will take place on Wednesday at 10:00 a.m. and the eligibility period will run from Wednesday through the following Wednesday.

Students not receiving passing grades for all classes in both the nine weeks and semester will be ineligible for a 2-week period. (The beginning of the year ineligibility period will begin with the first day of classes or their first contest, whichever is earliest.) Grades will be checked after the 2nd week of school to determine the new eligibility. Any student not passing at least 4 academic units for the previous semester will be subject to the NDHSAA eligibility penalties. Any student receiving a failing grade at the conclusion of the 4th 9 weeks/2nd semester will be ineligible for activities after the school year concludes.

Policy Adopted: **Adopted March 13, 2006**

GUIDELINES FOR PARTICIPANTS

Participants should be taught to:

1. Treat opponents the way they would want to be treated. Home team players, particularly, should adopt this philosophy. It is tough enough to play away from home without being mistreated by opposing players and spectators.
2. Shake hands with members of the opposing team after the game in full view of the crowd. Don't go away mad. If you and a member of the opposing team have had a hard battle on the court or field, make an attempt to talk it out and learn to respect your opponent for his/her efforts.
3. Don't argue with officials. You seldom, if ever, win. All you accomplish is to get yourself excited (possibly costing your team a penalty or technical), incite the crowd, and generally create a negative attitude. Remain at the optimum level of controlled excitement to allow opportunity for your best performance.

SPECTATOR AND STUDENT RELATIONSHIPS

The effect on the morale, spirit and loyalty of students, alumni, and other members of the school and community must be recognized. The development of furtherance of loyalty, pride in the school, sportsmanship of players and spectators, appreciation of skillful performance and realization of the educational aspects of activities will continue to be emphasized, rather than the use of the program as a money-making venture or as spectacular advertising of the school, team, players, or coaches. Activities will be conducted at the highest possible level, and the students, alumni, and other interested citizens will be encouraged to support the entire program in every legitimate way. **Failure to adhere to this policy can result in suspensions from attending school activities.**

PARTICIPANT OBJECTIVES

The objectives, which we hope each participant in an activity will gain by participating, are:

1. To develop an appreciation for the activity.
2. Conditioning of participants to meet the demands of the activity.
3. To formulate desirable health habits.
4. To learn basic skills of the activity.
5. Development of skills and ability to the greatest possible capacity.
6. Attainment of the knowledge of rules, etiquette, technique, and methods of the activity.
7. To expose the participants to a variety of social situations which will enable them to develop sportsmanship, team cooperation, group loyalty, courtesy and self-control.
8. Stimulate desire to uphold scholastic standards.
9. Present interesting performances.
10. Represent the school in an appropriate manner.

ADMINISTRATIVE POLICY ON PROCEDURE OF HANDLING ALCOHOL, TOBACCO, OR SUBSTANCE ABUSE VIOLATIONS

1. Written reported violation to building principal or athletic director.
2. Principal and athletic director will conduct investigation.
3. If investigators find the student guilty of possession of alcohol, tobacco, or other controlled substance as defined by North Dakota law or by the MPCG School Policy, the student will serve the suspension under the guidelines of the NDHSAA and the MPCG policies.
4. The student does have the right to appeal the investigator's decision to the school's designated hearing officer for a hearing. The student will have the right to a hearing within 3 days of such notification.
5. If the student disagrees with the ruling of the hearing officer, they have the opportunity to request the local school board to review the hearing procedures conducted by the building principal, athletic director and the hearing officer.

ALCOHOL/TOBACCO/DRUG SUSPENSION

No student shall use, possess and/or consume any drugs, alcohol or tobacco during the calendar year. Violation will result in suspension from extra-curricular activities and school privileges. Possession is defined as “not removing yourself from the presence of drugs, alcohol or tobacco as soon as you realize that it is present.”

Eighteen-year-old students are subject to all school rules.

1. Suspensions are cumulative during each of two phases and enforced year-round: Phase 1 (grades 7-8) and Phase 2 (grades 9-12).
 - a. First offense in each phase: six consecutive weeks
 - b. Second offense in each phase: 18 consecutive weeks
 - c. Third and subsequent offenses in each phase: 36 consecutive weeks
 - d. Each suspension period will begin only after the previous suspension period has ended.
2. In addition to the penalties delineated in this policy, in the event the suspension is administered during a season when the student is not actively participating (etc., summer for all students, fall for a student participating in track), the student's suspension shall be extended to include a minimum of a two-week or two-contest suspension (whichever is more severe) from the student's next activity. "Next activity" shall be defined as the next activity in which the student begins practicing at the appropriate date and concludes at the end of the season (i.e., does not start and quit). Should the student's next activity not be until the following school year, the two-week or two-contest rule will be applied at that time.(NDHSAA Regulation, 9/20)
3. Counseling sessions for each Alcohol or Drug violation are mandatory.
4. Athletes will forfeit all awards, lettering rights and post season nominations to all-star teams if their suspension occurs anytime between the first day of the season through its completion.
5. This policy will be enforced through the entire school.
6. Any student found to be using, under the influence of, or in possession of alcohol or tobacco while on school property or at any school function will face the following penalty:
 - a. 1st offense: 3 days out-of-school suspension
 - b. 2nd offense: 5 days out-of-school suspension, plus student must enroll in and attend chemical dependency classes. It would be expected that a parent attends these classes with the student.
 - c. 3rd offense: Meet with Board for an expulsion hearing.
7. Any student found to be using, under the influence of, or in the possession of drugs while on school property or at any school function will be subject to proceedings for the suspension/expulsion of the student. The matter will be turned over to the local law enforcement agency.

Students are eligible for awards given by other groups in which the coach has no input in the selection process.

PREVIOUS SUSPENSIONS

The MPCG School District will enforce all NDHSAA suspensions placed on a student from a previous school that transfers into the MPCG School District. The transfer student will complete the suspension they are serving from the previous district. They will then be under the MPCG School District policy once enrolled in school and when they complete their suspension, their next suspension will be their 2nd violation.

CODE OF CONDUCT

Any student involved in theft, vandalism, damage to school property, damage to property owned by school employees, physical or sexual assault of other students, teachers, or patrons, or other acts of conduct unbecoming to a student of the May-Port CG School District in school or outside of the school, shall be subject to a possible suspension from extracurricular activities and all other school activities which involve a public performance (for example: prom, banquets, regional science fair, state fair, school play, concerts, FCCLA, Band, homecoming candidates, etc., but does not include graduation).

1. Participants are expected to attend every practice.
2. An unexcused absence from practice will result in a penalty or penalties presented by the coach prior to the season starting
3. Excused absences include family emergency and illness. Personal appointments should be scheduled so they do not conflict with practices.
4. Any school disciplinary action that results in a participant missing practice will be considered unexcused.
5. Contact coaches ahead of time in case of a conflict.

7. Weekends – 12:00 am
8. Nights before games – 10:00 pm
9. First offense will result in a one game/meet/match suspension.
10. Second offense will result in a two game/meet/match suspension.
11. Third offense will result in removal from the team.
12. Contact coaches ahead of time if there is a conflict.

Dress Code

13. Dress codes for home and away games will vary by sport. Head coaches will notify participants before the season begins.

Uniforms

14. Participants are responsible for any uniforms or practice gear issued to them.
15. Any gear returned at the end of the year that is considered to be less than satisfactory may require full or partial reimbursement to the school.
16. Any gear that is not returned and/or lost will be required to be reimbursed in full.

Conduct

17. Any conduct detrimental to the team will not be tolerated. Punishment, which may include suspension or removal from the team, will be determined by the coaching staff and Activities Director.

SCHOOL ATTENDANCE

In order to be eligible for extra-curricular practice or events, a parent must provide prior notification of absence and student must be in attendance a minimum of 4 periods, on the day of the activity, unless pre-approval is obtained from the principal.

PARTICIPATION FEES

Students in grades 7 and 8 will pay an activity fee of \$50 per activity. Grades 9-12 will pay a \$75 per activity fee. Reduced rates are available based on need, as determined by the free and reduced lunch applications. Participation fee's must be paid prior to the first practice in order to participate.

PLAYING TIME

Playing time will be left to the discretion of the coach. Head and assistant coaches, the activities director, other administration and school board members will not take the time to discuss playing time with parents, as it is non-negotiable. If a student-athlete has a problem with their playing time, they are encouraged to set up a one-on-one meeting with the coach to discuss the matter.

TEAM SELECTION PROCEDURE

In the event that large participation numbers dictate cuts, the coach will let players and parents know about the tryout process at his or her pre-season meeting. Much like playing time, any decision on cuts will end with the head coach. Activities director, administration, and school board members may be consulted. Student-athletes that are cut will have their participation fee refunded.

LETTERING

The lettering for extra-curricular participants will be determined by the individual coaches/advisors. These requirements will be communicated to the participant at the beginning of each season.

MISSED SCHOOL TIME/MAKE-UP WORK

Students need to realize that along with participating in extra-curricular activities come many responsibilities. There will be some activities that will take a student away from school during the day. Although, these instances do not count against your attendance record, you are still required to do any and all assignments.

Any time that you are going to miss school due to an activity, you will be expected to talk to all of your teachers and get the assignments that you are going to miss because of that activity. You will be expected to have those items completed at the same time as the other students in that class who are not attending an activity. There might be some instances when you will be required to turn in assignments before you leave. This is why it is necessary to talk to each teacher before you leave. They will inform you of what they expect of you at that time.

TRANSPORTATION

Extra-curricular participants must ride to and from out-of-town competitions or practice on transportation provided by the school. Very few exceptions will be allowed and must be requested through the proper channels. ie—Parent sign-off or Travel Waiver.

PARENT SIGN-OFF—Travel Waiver

A parent or legal guardian must be present to sign a student off the bus/van at an away school activity. A brother, sister or other relative does not constitute a parent. The coach/advisor will have a sign-off sheet that must be checked in order for the student to leave. This will be for all school activities.

In certain instances, a student will need to ride home from an event with another adult. In these instances, the student's parent/guardian must contact the athletic director/building principal prior to the event. There is a travel waiver that will need to be filled out and given to the athletic director. The responsible party must be another adult. A student will not be allowed to drive themselves to any out-of-town events unless the appropriate travel waiver has been signed and arranged with the athletic director and parent signing the waiver.

Dual Sport Athletes (participation in 2 sports in same season)

Students wanting to participate in 2 sports during any given season must obtain a Dual Sport Agreement Form from the Activities Director and properly fill it out and request to meet with AD, Coaches and Parents as is stipulated in the form. This meeting must occur before the first competition date for either sport. Also, students need to understand the importance of being in attendance in school and will therefore be allowed to leave school early for only one of those sports in any given week. If a student is or becomes ineligible for any reason during the season in which they are choosing to dual sport, the student will no longer be allowed to dual sport and will then only be allowed to participate in their chosen primary sport. Participating in more than one sport may have an effect on the academic performance of the participation level of the athlete. In an effort to avoid a student becoming academically ineligible, each student will be required to maintain a C average or above in order to dual sport. All dual sport athletes will also be evaluated on a case-by-case basis with the Principal and Activities Director.

Policy Adopted: December 13, 2021

PROTOCOL FOR PARENT CONCERNS/COMPLAINTS

If a parent has a concern or complaint, they along with their son/daughter need to make arrangements to visit with the coach/advisor of that activity. If they do not receive satisfaction on that level, they should proceed to the next step and arrange a sit-down meeting with the coach/advisor and the Athletic Director and/or the building Principal. When contacting the Athletic Director/Principal, you will be asked to contact the Advisor/Coach before receiving any action from the Athletic Director/Principal. If and only if there is not satisfaction on that level should they take it to the school Superintendent.

INJURIES/INSURANCE

Parents should be aware that serious injuries can happen in athletics. Our coaching staff will do everything they can to prevent serious injury, but they can still happen. If your daughter/son comes home and complains of any type of injury caused by a school activity, please call the coach of that sport immediately. Injuries are going to be a part of athletics; our coaches will handle them to the best of their ability and many times will recommend that the participant see a doctor.

The May-Port CG School District will NOT provide any supplementary activity injury insurance for this school year. Student injury will now be the parent's responsibility.
