

Vocal Music Teacher

The Bangor School District is looking for a MS/HS Vocal Music Teacher.

The successful candidate for this position will be positioned well to take our music programming to new levels in our soon to be renovated performance arts arena.

Current roles and responsibilities of this teacher include general music classes and choir for middle school students, High School Choir, Jazz Choir, 1 stage musical performance per year, solo and ensemble, and a slate of 4 concerts throughout the year.

A candidate with a vision to increase program visibility and engage more students in music and arts is highly desired. The district is looking for an individual who has the ability to collaborate as part of the PLC process with special and general education team members to support student progress and programming. Effective communication with parents and team members is essential.
