

2020 School Supplies

Typically we would have released a school supply list by now. However, we wanted to wait until we were sure we had a firm list that would support our learning environment. We did not want you to have to buy anything unnecessary. So, thank you for your purchase. This list is for both virtual and in person learning.

Donations: Our goal in creating this list is to put as little financial burden on you as possible. If you are able to contribute more than your assigned list, we would greatly appreciate any of the following items which can be used by all grade levels: white card stock, gallon, quart, and sandwich ziplock bags, gift cards to any bookstore to support the home libraries of our families, lined paper, extra pencils, extra dry erase markers, extra sticky notes, extra index cards, extra highlighters. Please drop off at front office anytime.
