We are days away from the start of fall sports. Football is set to begin on Monday, August 10 while all other High School sports will start on Wednesday, August 12. Please see the times and locations for all sports listed below.

9-12 grade **Volleyball** Practice will be from 5p-7p starting on August 12. Parent meeting will be at 4:30 on August 12 at the football stadium. At this time, we are not sure if we will be allowed to go into the gymnasium for volleyball. We are hoping to hear something very soon. Either way, Coach Patterson and Coach Fisk will be having practices. It may end up outdoors in a grassy area. Please plan to have shoes for both indoors and outdoors. This is a decision that is not ours. Please be patient.

9-12 grade **Soccer** Practice will be from 5p-7p at the practice soccer field August 12-20. Parent meeting will be on August 12 at 7:30p at the practice soccer field.

**Middle school sports** will start later this month, we will provide more information in the coming weeks.

COVID-19 protocols will still be in place, such as daily health checks and social distancing. Please make sure that athletes bring their own water bottles and masks.

**ATHLETIC PHYSICALS**-If your student athlete had a physical last school year, on file with the athletic office, do not need to get a new one for the 2020-21 school year. This is a one time deal due to COVID-19. You do, however, still need to fill out the questionnaire from the MHSAA. Copies of this form are available from your coaches, athletic office, or on our website.

Parent meetings will be very important to attend. There are many uncertainties at this time and we are hoping that we will have some additional information. We will also have forms to fill out at these meetings.

Don't hesitate to contact me if you have any questions.
