-

Question #2

"Expanding our educational opportunities for the children of Bluestem School District"

New HS Vocational Bldg/HS Remodel - \$4,815,000

This question provides the educational opportunity for our children to better succeed in their future. These additions and remodels would provide a learning environment to better prepare our students for future careers in Butler County, the state of Kansas, and across the country.

You will individually vote for question 2: YES or NO

- A. **Junior/Senior High School**
 - a. New vocational Building with state of the art science and vocational components
 - b. Renovate existing vocational space into weight room and lockers.
 - c. Renovate existing science room into an art room
 - d. Renovate art rooms, locker rooms, and weight rooms.
 - B. **Bluestem Elementary School**
 - a. Two new classrooms to accommodate for increased class sizes and new programs
-

Question #1 MUST PASS for Question #2 to ELIGIBLE.
If Question #1 fails, both questions automatically fail.
Question #2 CANNOT pass on its own.
