

Parents,

We appreciate everyone's patience while we are working to begin the 2020-21 school year. We have reviewed the information regarding in-person and remote learning and made decisions regarding teachers for each section. On the attached class lists, there will be 4 teachers listed. We will have 3 sections of in-person learning at each grade level K-4 and a section of remote learning that will be staffed by our building reading and math specialists. Mrs. Steiner will work with Remote learners at Kindergarten and First Grades. Mrs. Fabris will be with remote learners at Second and Fourth Grades. Mrs. Jenkins will cover Third Grade remote learning. All students will cover the same grade level material. The remote teacher will cover reading and mathematics, the other grade level teachers will work together to share content in the areas of writing, science, social studies and handwriting. We want to assure families we will do all we can to meet the needs of all learners.

Please contact me with any questions.

Sincerely,

Mrs. McGhee
