

Virtual Contract

STUDENTS WHO CHOOSE THE VIRTUAL OPTION:-

1. All assignments or projects will be completed on the following platforms: Grades 6-12: Edgenuity Grades K-5: Odysseyware
2. Students will have until 9/3/20 to opt out of the virtual option. After that date, students will not be allowed to opt out of virtual instruction until the end of the semester as long all courses have been completed.
3. Virtual students will be enrolled in at least six classes.
4. Virtual students will be allowed to work ahead, but must stay current at all times throughout the semester. An end date will be entered in the program and classes must be completed by that date.
5. Teachers will be available to virtual students before or after school. Call to schedule an appointment.
6. If a virtual student is on track at the end of the semester, they may choose to re-enter regular school in January.
7. If a virtual student is not on track at the end of the semester, they will be required to finish the entire school year virtually.
8. In order to participate in extra-curricular activities, virtual students must be current with online work with a minimum grade of "D" for each class.
9. At the completion of an individual course, the grade that is shown on your current platform is the grade that will be transcribed.
10. All questions concerning virtual instruction must be directed to the building principal.

Please sign below to enroll your student virtual instruction for the 20/21 school year.
