

## EAGLE SPORTS FANS,

The 2020/21 school year is upon us and the Hugoton Sports Boosters are again conducting our annual membership drive for the upcoming sports seasons. We thank those of you who supported HHS student-athletes in the past and invite you and all new members to support our hometown athletes in 2020/21.

The Booster Club has been an important resource to our HHS athletes, coaches, and programs by providing support, meals, and assistance above and beyond what is allocated in the athletic department budget. Without your family and business support, the Boosters would not be able to provide this help.

The Booster Club works in conjunction with CJ Korf (HHS Athletic Director) as well as the HHS coaches in order to offer the best possible support to our HS athletes in their quest for success. We extend an invitation to all members to attend our monthly meetings, bring new ideas, and become active in booster activities. Meeting dates are posted on the school calendar. Board members for the upcoming 2020/21 school year are: President- Stacy Burrows, Vice President- Rex Evans, Treasurer- Jeff Ramsey, and Secretary- Shelby Martin. Feel free to ask any of the officers if you have questions regarding the Hugoton Sports Boosters.
