Welcome to Ascender ParentPortal. This site provides web access to school-related information about your students, including attendance, grades, discipline, assessments, and immunizations.

To access the Ascender ParentPortal, you must log on.

- If you are a new user and do not have an Ascender ParentPortal account, you must create your account.
- Once you have an Ascender ParentPortal account, to gain access to your student's records, you must provide a unique portal ID for each student. Your student's district or campus will provide the portal ID to you.

Create an Ascender ParentPortal Account:

1. Access the web address for your district's parent portal site.
2. Once at the district's parent portal login screen, click on the **Create Account** button.

3. After clicking on **Create Account** you will be taken to the **User Information** page.

4. User Information: Fill in the required information to create an account.

- 1 **User Name:** Must be between 6-25 alphanumeric characters (i.e., tmills1).
- 2 **Password:** Your password is CASE SENSITIVE. The password must be 8-46 characters using 3 of the following character types:
 - UPPERCASE letters
 - Lowercase letters
 - Numbers (0-9)
 - Special Characters (!, @, #, \$, etc.)
- 3 **Re-enter Password:** Re-enter your password. Your passwords must match.
- 4 **Email Address:** Type your email address. You cannot use an email address that has already been used for a ParentPortal account. Your email address must be verified to add students to your ParentPortal account. You will receive an email with a Validate Email link that will be used to verify your email.
- 5 **Mobile Number (10 digits):** Enter your ten-digit mobile number. You cannot use a number that has already been used for a ParentPortal account. You will receive a text with a validation code. The code will be entered on the **My Accounts** page.

NOTE: When subscribing to Grade and Attendance Alerts you will have the option to choose to receive the alert notifications by email address or mobile number. The email address and mobile number must be verified.
- 6 Click **Next** to move to the security question.

5. The Security Question will be used in the event that you need to reset your password.

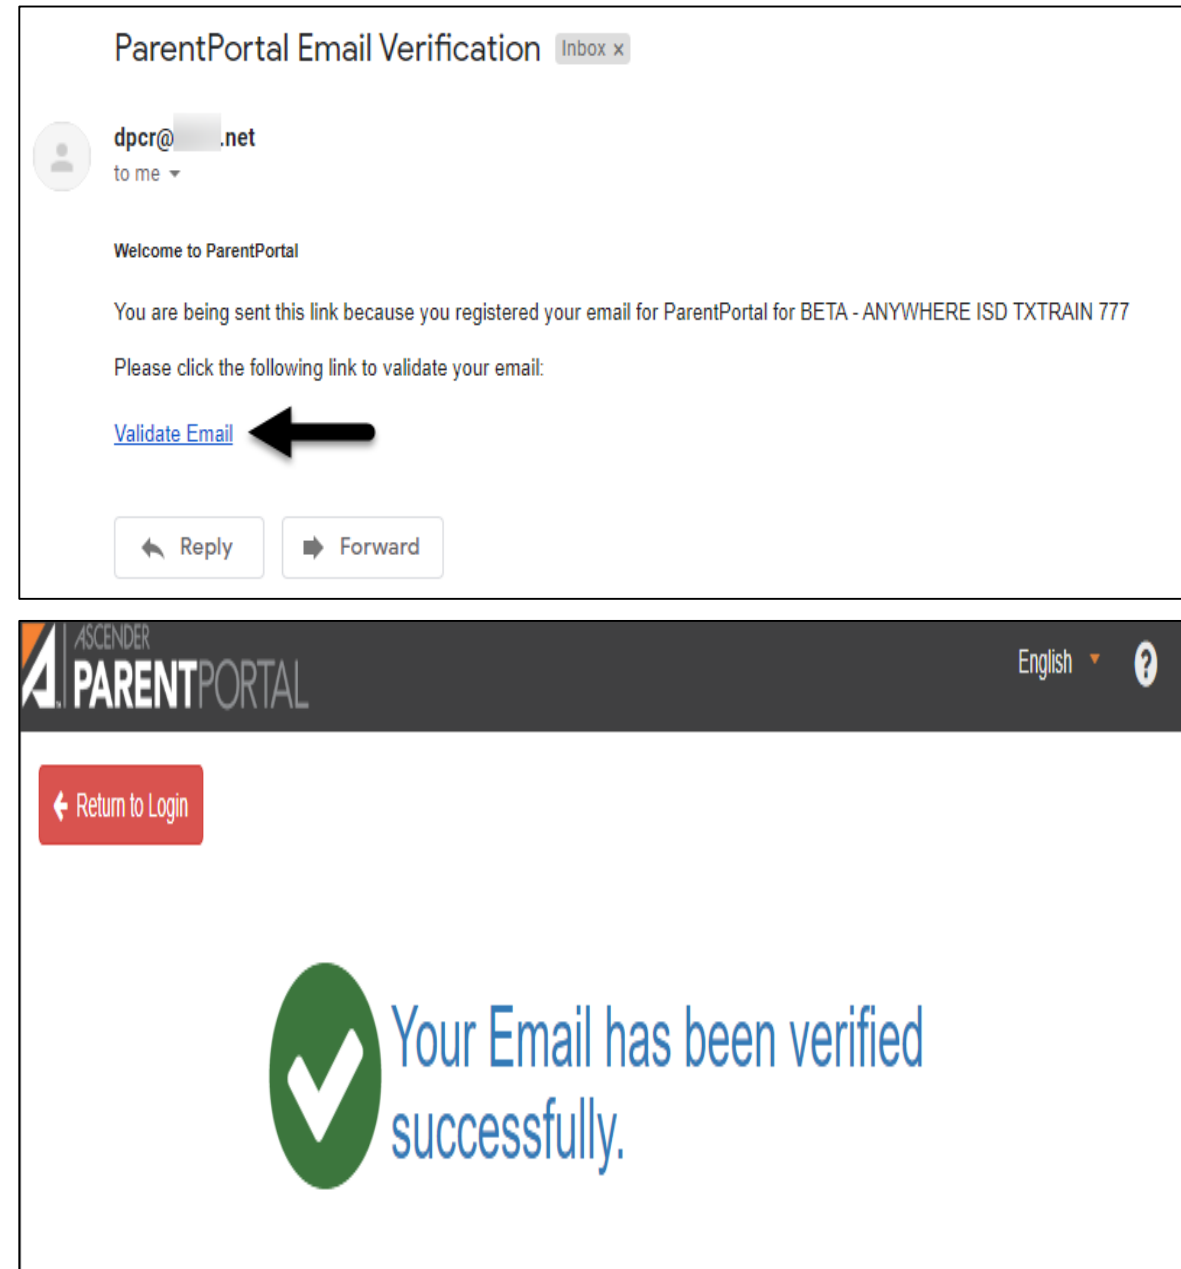

- **Select Question:** Use the drop-down to select a question to answer.
- **Answer:** Type the answer to the question. You will be required to answer the question correctly in order to recover your password. Be sure to select a question for which you will easily remember your answer.
- **IMPORTANT:** The answer is case-sensitive (i.e., you must always type exactly as it is entered here, including uppercase and lowercase letters).
- Click **Next** to complete your account set up.

The screenshot shows the 'ASCENDER PARENTPORTAL' interface. At the top right, there is a language selector set to 'English' and a help icon. A red button labeled 'Return to Login' is in the top left. The main heading is 'Create Account'. Below it is a progress bar with three steps: 'User Information', 'Security Question' (which is the current step and highlighted in orange), and 'Complete'. The 'Security Question' section includes the text 'This information will assist you in resetting a lost password.' Below this, there is a 'Select Question:' label next to a drop-down menu showing 'What is your father's middle name?'. Underneath is an 'Answer:' label next to a text input field containing the placeholder 'Answer'. At the bottom right, there are three buttons: 'Back' (white), 'Next' (blue), and 'Cancel' (red).

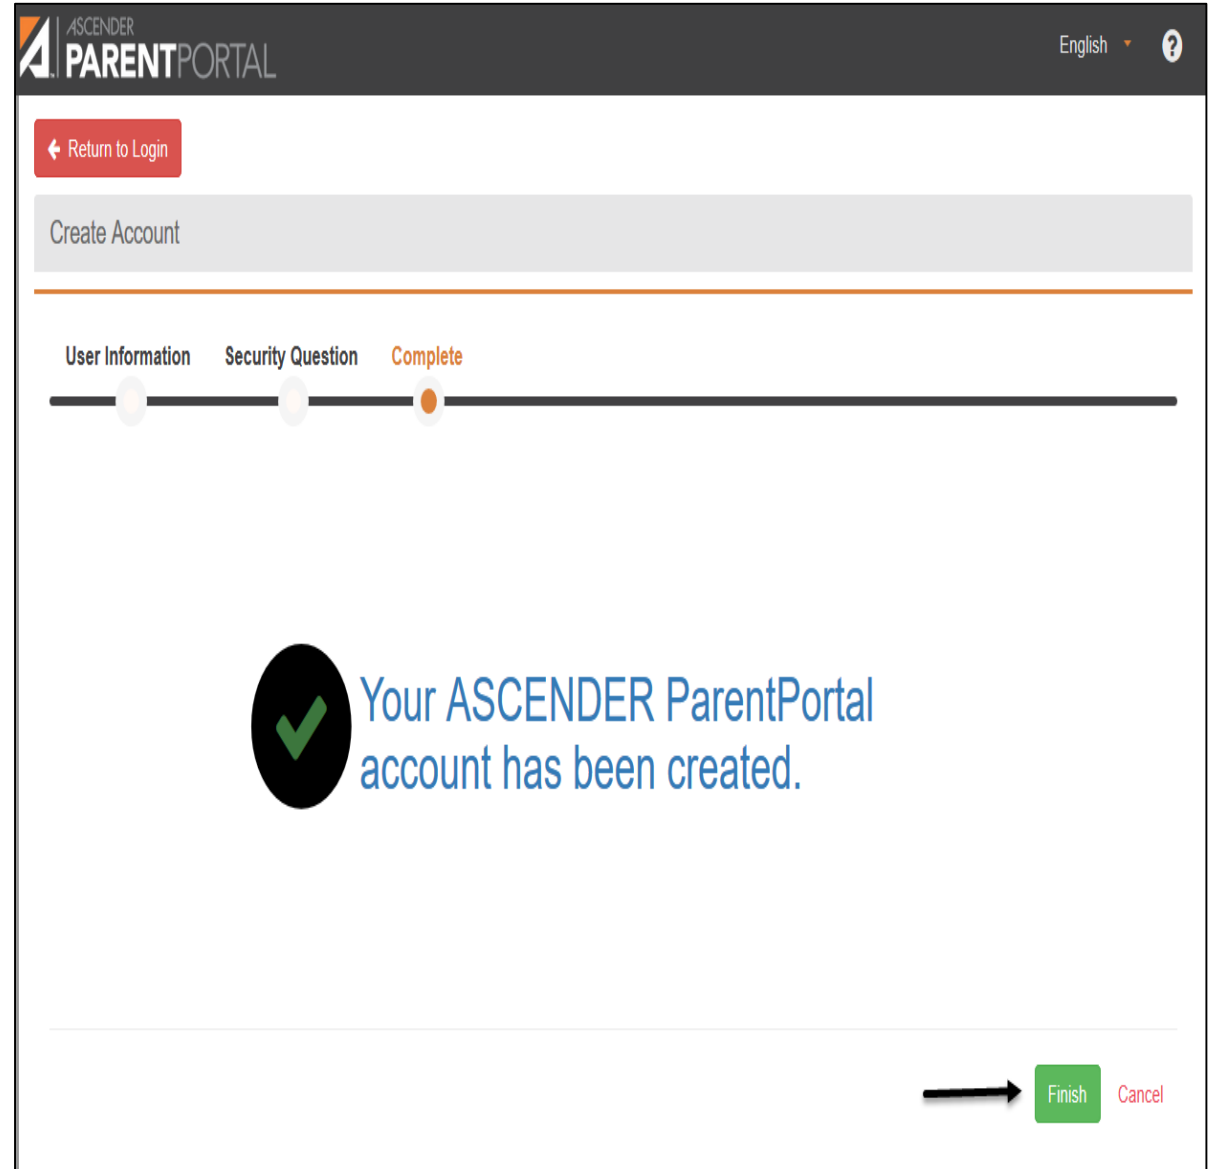

6. Check your email for the ParentPortal Email Verification.

- If the ParentPortal Email Verification is not displayed in your inbox, check your junk or spam folder for the email.
- Click on the **Validate Email** link.
- When you have successfully validated your email you will receive the “**Your Email has been verified successfully**” message.
- You may click **Return to Login** to add a student to your ParentPortal account. You will have to login again, and access the **My Accounts** page to “**Link an Enrolled Student**”.

However, you can also close out of the email and click the **Finish** button on the **Create Account** page where you were prior to checking your email. You will be taken directly to the **My Accounts** page.

7. Click on the **Finish** button to be taken to the **My Account** page to add currently enrolled students to your account.
- The **My Account** page opens where you can add a student to your account and update your security and contact information if needed.
 - **NOTE:** If you are not listed as a contact or a guardian (i.e., student, step-parent, etc.), you will be a read-only user with limited access.

8. To add a student to your ParentPortal account, click on the “Link an Enrolled Student” button.
- If you are unable to click on the Link an Enrolled Student link, skip to the next page.
 - A pop-up window opens allowing you to add a student to your ParentPortal account.
 - In the **ParentPortal ID** field type the ParentPortal ID provided by the student’s campus.
 - If you do not have this ID, you must contact the campus to get the ID.
 - You cannot add a student without entering a valid ParentPortal ID.
 - The ID is case sensitive and must be entered exactly as it appears (example: qbQgk3qAs3z).
 - In the **Birth Date (MM/DD/YYYY)** field type the student’s complete birth date. The date entered here must match the birth date in the student’s record at the campus. You cannot continue without entering the correct birth date.
 - Click **Add**.
 - If your student was successfully added to your account, the student’s name will appear on the page. You will now be able to access your student’s data.

The screenshot shows the 'My Account' page of a ParentPortal. A pop-up window titled 'Link an Enrolled Student' is open, prompting the user to 'Obtain the ParentPortal ID from the student's campus.' The pop-up contains two input fields: 'ParentPortal ID:' and 'Birth Date (MM/DD/YYYY):'. Below the birth date field is an example: '(Ex: 03/11/1994)'. At the bottom right of the pop-up are 'Cancel' and 'Add' buttons. In the background, the 'My Account' page has a 'Students' section with a profile icon and two buttons: 'Enroll a New Student' and 'Link an Enrolled Student'. A black arrow points from the 'Link an Enrolled Student' button to the pop-up window. Below the 'Students' section are sections for 'Contact Information' and 'Security Information'. The 'Contact Information' section has fields for 'Email Address' (with a 'Remove Email' button) and 'Mobile Number' (with a 'Remove Mobile' button). The 'Security Information' section has fields for 'Password' (with an 'Update Password' button), 'Security Question' (with an 'Update Security Question' button), and 'Answer'.

- If you were able to link your currently enrolled student to your ParentPortal account, you will skip this section.
- Your email address must be verified before you can add a student to your ParentPortal account.
- If your email address is not verified please note the following:

1 On the **My Account** page you will receive a notification that your email is not verified.

- Not verifying your email address will limit the functionality in Parent Portal.

2 If you did not receive your verification link email, you may click the **Re-send** button for your email address.

- Be sure to check your junk mail for the email that contains the **Validate Email** link if it does not show up in your inbox.

3 Check the accuracy of the email you entered for your account. The email your entered for your account displays under the Contact Information Email Address field.

4 The mobile number will also be verified under **My Accounts**. Enter the code from the text sent to your mobile number.

5 Click the **Verify** button.

6 If you did not receive the verification code, you can click the **Re-send** button to have another code sent to your mobile number.

- Once you have verified your email, you may link a currently enrolled student to your account. (See the previous screen).

Alerts – Alert Settings

Alerts are messages notifying you if the student has any grades or attendance information you should be aware of, such as an absence, tardy, or low grade.

- You can change your alerts subscription at any time so that you only receive the alert messages you want to see.
- Select how you would like to receive alerts:
 - Email – This option is only available if you have successfully verified your email.
 - Text – This option is only available if you have successfully verified your cell phone number.
- By default, you are automatically subscribed to two alerts:
 - Unexcused absence, first occurrence of the day.
 - Failing grade alert.
- You can receive alerts for:
 - Attendance – first occurrence or every occurrence.
 - Grade Average – failing or custom threshold
 - Assignment Grades – failing or custom threshold
 - Incomplete Assignments
 - Missing Assignments

The screenshot shows the 'Parent Portal' interface for a student named Arnold Wade Acafell. The left sidebar contains a navigation menu with options like 'My Students', 'Summary', 'Attendance', 'Grades', 'Discipline', 'Immunizations', 'Alerts', and 'Links'. The 'Alerts' option is highlighted. The main content area is titled 'Alerts' and contains a 'Set Alerts' button. Below this, there are several sections for configuring alerts:

- Notification Type:** A section where you can choose how to receive alerts (Email or Text). It includes a note: 'Your email address or mobile number must already be verified on the My Account page.'
- Attendance Alerts:** A section where you can choose how to receive alerts for attendance. It includes a note: 'Allow up to one hour for changes to take effect.' It has three dropdown menus: 'Unexcused Absences' (set to 'First occurrence only'), 'Excused Absences' (set to 'No alert'), and 'Tardies' (set to 'No alert').
- Class Average Alerts:** A section where you can choose how to receive alerts for class average. It includes a note: 'An alert will be sent each time the student's average in any class falls below the threshold.' It has a 'Set Class Average Threshold' dropdown (set to 'No') and a 'Current Selection OFF' button.
- Assignment Grade Alerts:** A section where you can choose how to receive alerts for assignment grades. It includes a note: 'An alert will be sent each time the student receives an assignment grade that falls below the threshold.' It has a 'Set Assignment Grade Threshold' dropdown (set to 'No') and a 'Current Selection OFF' button.

At the bottom of the page, there are two more sections: 'Incomplete Assignments' (set to 'No') and 'Missing Assignments' (set to 'No').

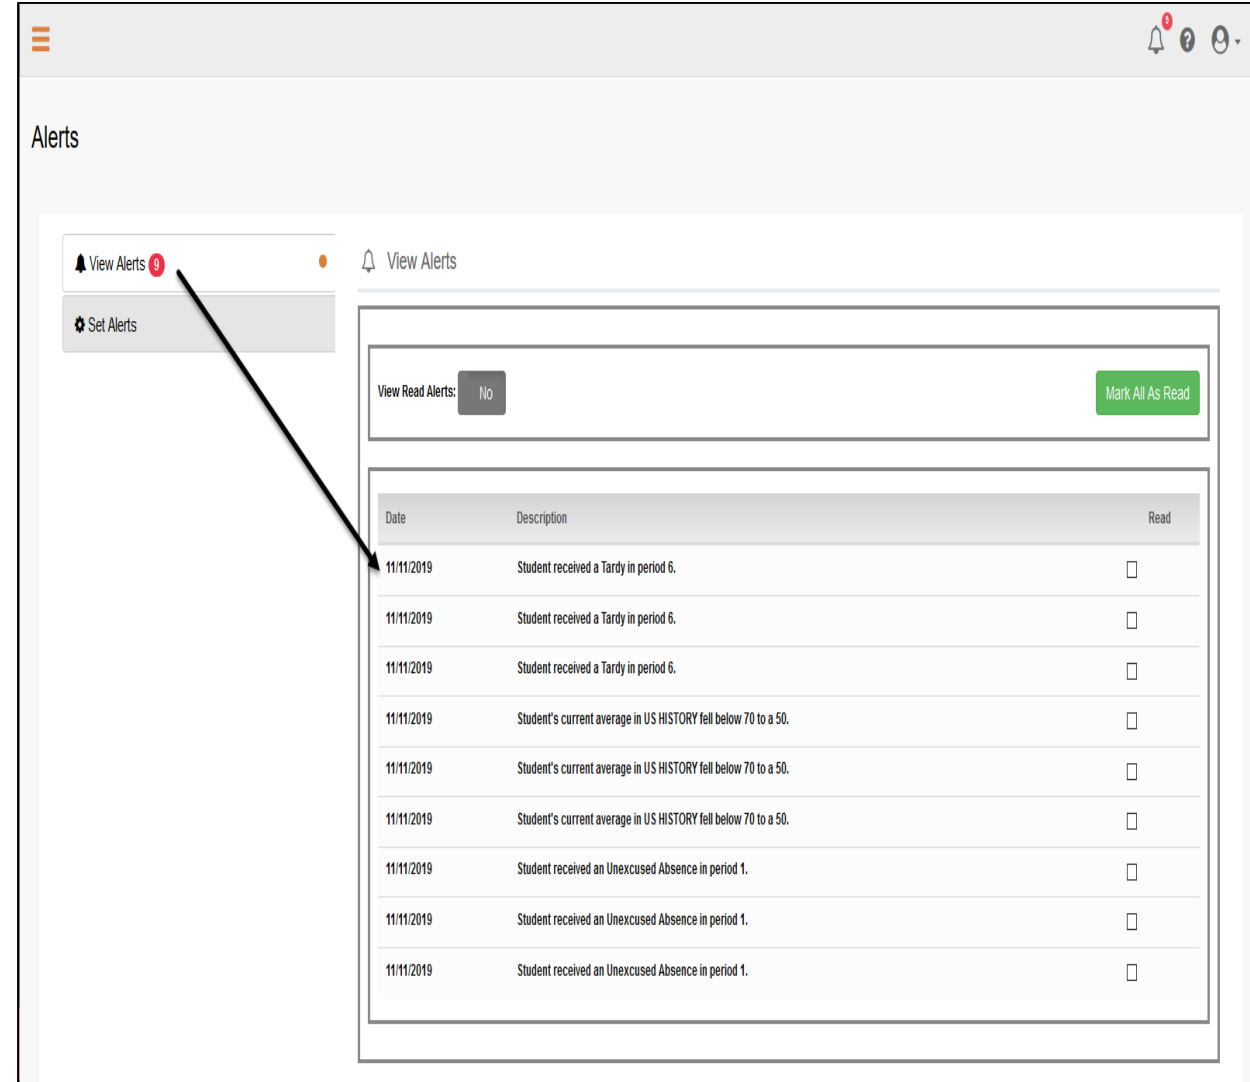

Alerts – View Alerts

View alert settings according to your alert settings.

- If any of your students have alerts, the number of alerts is displayed next to the alert icon  the top-right corner of every page in ParentPortal.
- On any page in ParentPortal, click the  in the top-right corner. You can see the two most recent alerts for the student. You must go to the alerts page to view all alerts.
- The number of new, unread alerts is displayed in the red circle.
- The complete alert message is displayed under **Description**.
- If the student has more than one alert, the alerts are displayed in the order received, with the most recent alert at the top of the list.

Tips

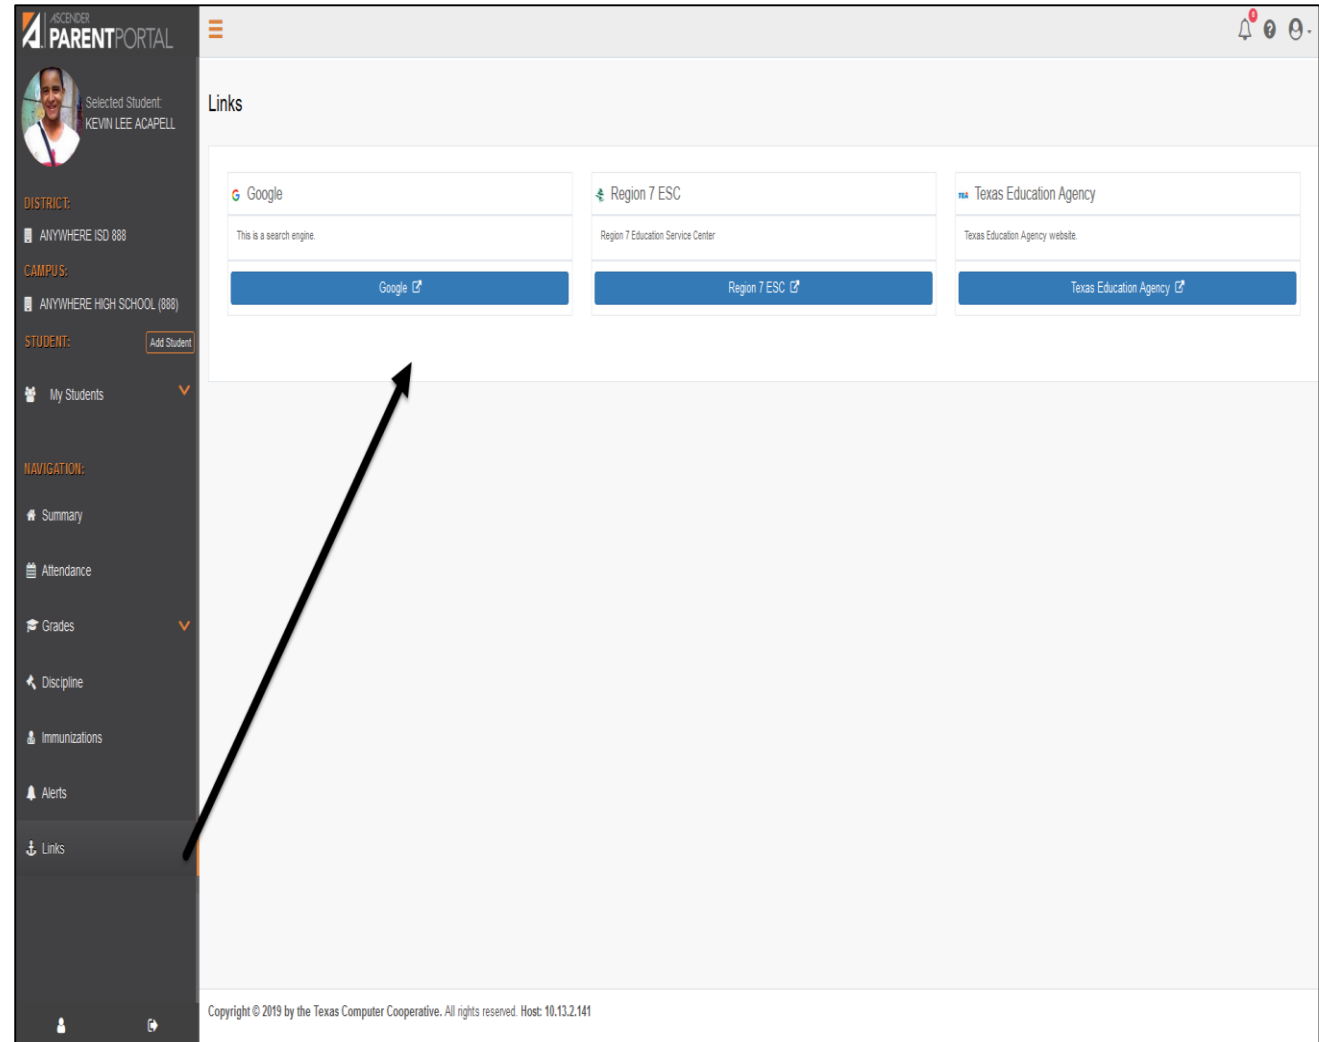

- New, unread alerts are bold. Once you have read an alert, you can select Read. The alert will no longer be bold.
- Clear the Read check box to change the alert back to unread.
- You can adjust the page to show or hide any alerts you have already read:
 - To see only new unread alerts, set View Read Alerts to No
 - To see all alerts, set View Read Alerts to Yes.
