

**Hyde County Schools**  
**REFUSAL OF PERMISSION FORM**  
**Only sign and return if you DO NOT give permission**

Dear Parents or Guardians,

There are times when the school division and/or members of the media may wish to use your child's picture or interview your child for public media coverage pertaining to school events or activities. Some examples include, but are not limited to: newspaper articles, television news, division-wide materials, classroom online activities, school division websites (<http://www.hyde.k12.nc.us/>) and school division social media pages linked to our school division website.

Please indicate below if you **do not** want your child's photo or information used and sign this **Refusal of Permission Form**. Return it to your child's school within the **first fifteen(15) days** of your child enrolling in school for the current school year. This form must be returned in the time allotted if you are **refusing permission**, otherwise Hyde County School policy located in the Student Handbook, as well as, on the Hyde County Schools website under policies assumes that the parent(s) or guardian(s) is giving permission to use student directory information associated with school related learning, events and activities.
