Cozad Creates Success

Cozad Early Education Center Parents and Students:

We are excited to welcome you back to school for the 2020-2021 school year. Our staff has been working very hard to prepare for the upcoming school year. We have a tremendous support system at CEEC and want you to know that we are here to serve your family as you start the educational journey with your child. In our letter, we wanted to share with you some information on how we are going to operate at the start of this school year with COVID-19 concerns. Along with this letter, please find the classroom supplies list.

Entry into the building: Parents are asked to enter through the south main door. Parents and students will be temperature checked when they enter. If parents want to wear a face mask they are encouraged to do so but not required.

Drop off and Pickup: While bringing in your child follow entry to building protocol and then sign the student in or out at their classroom and then exit through the west door by the playground.

Open House on August 17th is canceled: Parents are encouraged to attend a meet and greet on **August 14th from 8:00-1:00** to drop off school supplies and meet your child's teacher as well as see the classrooms. This extended time frame to meet teachers will allow for easier social distancing guidance. CEEC address: 420 West 14th.

Hand sanitizer: There will be a hand sanitizer pump available on the wall when you first enter the building for dropoff and pickup. Parents and students are encouraged to use this upon entry.

Our staff and I want you to know that we are excited to start the school year and get to know and educate your child. This is an exciting time for your family and we look forward to serving and working with you. Of course, there are many questions that cannot all be answered in one letter, but we will do our best to share our plans with you and know we will follow the district protocol. If you have any questions or concerns that you would like answered before the start of the school year please do not hesitate to call or email me. I look forward to working with you and your child. We are going to have a tremendous year!

James Ford
CEEC principal
