GO CASHLESS!

Convenient Way$ To Pay
Cashless Transactions

Your school has recently upgraded to a new product from PaySchools. PaySchools Central uses the same username and password you used for PayForIt.

If you use the PAYFORIT app, please delete it and download the new app named PaySchools Mobile.

CREDIT CARD
You can place money on your child’s account using a credit card. There is a convenience fee of 3.95% for each deposit transaction. PaySchools Central charges a minimum transaction fee of $1.65 that will affect deposits under $50.

ACH
This option allows you to use your checking account to add funds to your child’s balance. There is a flat fee of $1.75 for each deposit transaction.

CHECKS
The cafeteria can accept checks payable to your school district. Your child can bring the check to school and access that money the same day. Please be sure to put your child’s name or student ID number in the memo section of your check.

CASH
Cash will still be accepted by your cafeteria manager.

Prepayment means shorter lines and faster service with more time to relax and enjoy meals.

Visit your School District’s website under Food Service for more information about going cashless and your school’s nutrition program.

Contact your school’s Food Service Director for information on how to implement limits on your child’s account.
