

H-BC Student and Parent Electronic Device Agreement For Students in Grades K-8

This policy requires a payment for students in grades K-8 ONLY when damages occur. Payment can be made through JMC, cash, or check.

Device – Hills-Beaver Creek Schools has created a plan to help students have equal access to technology in the classroom. Over the past several years students have received a school provided Google Drive account that allows them to create papers, presentations, spreadsheets, databases and surveys. It also provides students and staff with an email account for better communication. Additionally, the school has increased the number of devices in the school district.

Responsible Use: The school issued device is the property of the Hills-Beaver Creek School District which is loaning the device to the student for learning purposes only. Students are to follow the district's Technology Use Policy at all times whether at school or not. To view this policy, please go to the high school website under "student handbook". Students are not to loan the Chromebook issued to them to any other person, including family members. Violation of the acceptable use agreement may result in disciplinary action. When the device is used on a network outside of the H-BC School network, the Internet firewalls and filters are not in place. Below is a list of guidelines within the terms of acceptable use:

- abide by school policies and behavior standards
- use the Internet for school or classroom purposes only
- abide by all copyright laws and acknowledge sources used at all times
- accurately represent yourself, but don't give out personal information to unknown sources
- respect the system security
- email from this device is not private. The school retains the right to check documents and history created by this device if deemed necessary
- abide by the school's Internet use agreement

Taking Care of the Device:

- Bring the device fully charged to school each day
- Report any damage to the device right away to Mr. Harnack
- Don't have food or beverages near the device
- Don't leave the device in extreme elements (cold, heat...)
- Device Management Software may not be removed from the device.
- Carry the device in the provided case with two hands. Be careful not to put heavy books on the device or other heavy items that could crack the screen.
- devices should not be set on top of a slanted binder where they are likely to fall off.

Repairs, Replacements, & Fees Students shall not attempt to repair a school issued device on their own. If a device needs repair, it must be taken to Mr. Harnack as soon as possible. Damage caused by misuse or negligence or a lost device will be the sole responsibility of the student and his/her parents. Problems that occur due to manufacturer defects will not count towards these repairs.

Device Agreement Expectations for use: The ability to use a school purchased device is an educational opportunity and responsibility. It allows for access to resources wherever wireless Internet is located. Use of the device during the school year is provided so students can have access to these tools anytime. School issued devices shall be used for educational purposes only.

Ownership The device and power supply are the property of the Hills-Beaver Creek School District. Please use with care, since devices may be checked out to other students after your time with it is complete. Students may not alter the physical appearance of the device by adding stickers, markings, or other items that may be difficult to remove. Students must use the provided sleeve to help prevent breakage.

Timeline Students are allowed to use the device during the school year only. The device may need to be turned in for updates, etc. over holidays, if necessary. All students using a school-issued device will need to return it in good condition at the end of the school year. There is no guarantee that a particular device will be reissued to the same student the following fall.

Consequences of Inappropriate Use The use of any district technology is a privilege and not a right. Students are expected to use their device in accordance with policies and procedures and District Acceptable Use Policy and any applicable laws. Failure to use this device in an appropriate manner will result in the following consequences, as determined by staff and administration of Hills-Beaver Creek Schools: Cancellation of student use or access, loss of computer privileges, loss of the ability to take the device out of the school building, repayment for damages, restitution, parent conference, suspension from school, expulsion from school, civil or criminal liability under applicable laws, and other disciplinary action

ACCEPTABLE USE AGREEMENT
PARENTS MUST INDICATE AGREEMENT ON FAMILY ID ONLINE
REGISTRATION**

Parent/Guardian and Student: We have read the Hills-Beaver Creek School District's Technology Acceptable Use Agreement which is available on the District's Website—www.hbc patriots.com.

I, the parent, have explained to my child what is expected, and I give my child permission to use the technology resources according to the regulations set forth in this agreement.

By signing on JMC forms, I acknowledge that I understand my child is expected to abide by the H-BC Technology Acceptable Use policy and guidelines. I understand the terms of this device agreement and my child may be held liable for the full replacement for loss or accidental and/or intentional damage. I further understand that the district retains the right to check the assigned device at any time without notice.
