

KELSO SCHOOL DISTRICT

COVID-19 ROADMAP TO

REOPENING

RESOURCES

CHILD CARE

The Washington State Department of Children, Youth, and Families (DCYF), DOH and the Office of Superintendent of Public Instruction (OSPI) are working in lockstep to maintain and quickly and safely support access to child care to serve kids who otherwise would be in school. DCYF is working hard to create a coordinated response with state, county and city agencies, school districts and child care provider groups. Visit the COVID-19 page of their website for information and resources.

Other child care resources recommended by DCYF:

- Child Care Check via Find Child Care WA: findchildcarewa.org
- Guide to finding quality child care: dcyf.wa.gov/sites/default/files/pubs/EPS_0019.pdf
- Child Care Aware of Washington: 1.800.446.1114 or childcareawarewa.org/families/#whotocall
- Check eligibility for Working Connections Child Care program: dcyf.wa.gov/services/earlylearning-childcare/getting-help/wccc

INTERNET ACCESS

Internet Essentials

Kelso School District is partnering with Comcast to provide FREE high-speed internet access to families eligible for public assistance programs like free or reduced school meals, housing assistance, Medicaid, SNAP, SSI and more.

To get started:

1. Call (501.1939) or email (comcast@kelsosd.org) us with your name, your student's name, and street address.
2. We'll check your eligibility and give you a code if you qualify.
3. Apply directly with Comcast (you can do this on your mobile phone) at apply.internetessentials.com and give them the code when asked.
