

GET THE SHOT NOT THE FLU!

The Heard County Health Department is excited to announce that we will be returning to **ALL** Heard County Schools to offer the **INJECTABLE Flu Vaccine** again.

We had a GREAT turnout last year and hope to see everyone again. Scheduled dates will be released at a later time.

Possible drive-thru flu clinic for those enrolled virtually.

The 2020-2021 Influenza consent form will be printed on yellow paper and sent home by each school in the next few weeks.

**Please complete the form and return to your child's school by
September 1, 2020**
