## Blended Learning Schedule

A Blended Learning schedule is a hybrid model combining in-person and remote learning. In this model, 50% of students are in school every other day so social distancing guidelines can be followed. Students in grades 9-12 attend school every other day, divided alphabetically by last name. AMS and AHS students in the same family will attend school on the same day. Students attend classes on either MON/WED or TUE/THU and on alternating Fridays. Students will be expected to work on assignments on their remote days. Families will be provided a calendar which will indicate A/B days for the entire school year.
