

**Drive By Meet and Greet**  
**Central Elementary**  
**Thursday, August 20th**  
**5:00pm-8:00pm**

Central Elementary will be giving an opportunity for all students and parents to meet their teacher before school starts. This event will be a “drive by style” meeting in the parking lot of the school. Parents/students will pull into the parking lot designated by grade and drive up to the location of the teacher. **While staying in the vehicle**, the parents/students will meet the teacher, drop off supplies, discuss the beginning of the year, and obtain any documents that the teacher has prepared. Please arrive anytime between 5:00pm and 8:00pm to visit your teacher. School personnel will direct you to your child’s teacher when you arrive at the specific location listed below. Please remain in your vehicle at all times during this event.

**2nd Grade/CDC: Drop off/Pick up Area “Side of the building”**  
**3rd Grade: Front of the school parking lot.**
