"Working together to develop successful learners with high values and integrity."

August 10, 2020

Dear MCC 7th Grade Parents/Guardians:

On behalf of the staff at Murray County Central High School I would like to welcome you and your student to our secondary building! We are very excited to have your child joining us this year. It is our desire to make this important transition a smooth and successful one.

On Wednesday, September 2nd, we will be having the 7th Grade Orientation Evening. The official program will start at 7:00pm, however, please drop your student off early at the main central doors to check-in. Tables will be set up at 6:30pm in order to get everyone seated prior to the informational meeting at 7:00 in the auditorium. Because of limited space in the classrooms and social distancing requirements, the 7th grade Orientation will be **students only this year**. Our opening session will be recorded so parents can get the information they missed. The program will be done at 8:35pm and students may be picked up at that time. Remember to make sure your student has their mask for orientation as all students must wear a mask when in the building.

Your child's schedule will be included in a separate email, and Mrs. Beech will be handing out updated schedules at the orientation for them to look over one last time. Students will get the opportunity to meet their teachers and spend some time in their classrooms. Finally, each student will be given their locker combination so that they can practice before the first day of school. This combination is also found on their schedules.

Again we look forward to meeting your child during our Orientation Evening on Wednesday, September 2nd. Please feel free to stop by the office if you have any questions or just to get to know the office staff better. Our goal is to make sure the entire family is comfortable with the new arrangement.

Thank you,

Jacob Scandrett

MCC High School Principal
