Supplies for Algebra 1, Geometry, Algebra 2, Pre-calculus and Math for College Readiness courses

- Graphing Calculator (TI-84) – *see below
- 1 ½ Inch 3-Ring Binder with Dividers
- Notebook Paper
- Graph Paper
- Pencils
- Erasers

*Calculator note: Geometry & Algebra 1 do not require the use of a graphing calculator but algebra 2 and higher courses do. For Geometry & Algebra 1, a student needs a calculator that includes the square root symbol and trigonometry functions. Those buttons on the calculator look like this:

*Calculator note: TI-84 graphing calculators are expensive but they are necessary to be successful in high school and college math courses. Sometimes Staples or Walmart will have TI-84's on sale. Or sometimes you can find a used TI-84 on craigslist or amazon. The newer TI-84's are rechargeable whereas older versions of the TI-84 require 4 batteries.
