

Future Rams

Halftime Game Schedule and Information

Girls Future Rams Parents,

Below is the schedule for the Future Rams halftime games on Tuesday, January 24th when the high school girls take on Montpelier at home. I have listed the schedule below with the names of the coaches for that team as a reference.

Please have your child report to the lobby outside the high school gym when there are 3 minutes left in the 2nd quarter of the game that they will be playing in. JV tips off at 6:00 and Varsity tips off at roughly 7:25. As soon as the high school teams are off the court, your players will begin their game.

We appreciate you allowing your child to participate in our Future Rams program and look forward to them playing in the future. If you have any questions or concerns with anything, please feel free to email me at tinoraladyramsbasketball@gmail.com.

Thank you,

Coach Thiel
