August 11, 2020

Dear H-BC Families,

Welcome to a brand-new school year at Hills-Beaver Creek School District. School will be in-person for ALL students to begin the school year, if allowed. Here is the [H-BC School District Safe Return to School Plan \(link\)](#).

As the district continues to plan for a safe return to the 2020-2021 school year, know that all considerations are based on keeping staff and students safe. Within the proposed models in both traditional and hybrid, **ALL STUDENTS** will be able to attend school daily. Within both models, staff and administration have accounted for 50% occupancy in classrooms for students and staff.

In the hybrid model, the district needs the help of parents and families to transport your student to school, if at all possible. If you cannot drop-off/pick-up your student, we will have buses who are able to be at 50% capacity (35 students). Depending on the number of students who need bus transportation, the district may implement staggered start and end times of school for students.

**We are still in the planning phase and ask that you fill out this short survey:**

1. Will you send your student to H-BC for in-person learning or do you want your student to participate in our Virtual Online Learning Academy?
2. How do you intend to transport your student to H-BC this fall knowing that all buses will be at 50% capacity with mandatory face masks and social distancing? (Note: We do not guarantee that social distance will occur at all times). If this portion of the survey is **not** completed, H-BC will assume that bus transportation is not needed for your student.
3. If distance learning is required, do you have access to the internet and/or a device for your student?

Please complete the following survey by Tuesday, August 18. **You will need to fill out one survey for each of your students.** We will use this survey for planning purposes and be in contact with you as we plan for a safe return to school.

**[H-BC Return to School Parent Survey 2020 \(Click here\)](#)**

**Note: FACE Coverings on buses and in H-BC School Buildings are a REQUIREMENT for school attendance, unless the student has a note for medical reasons.**

Sincerely,

Todd Holthaus  
Superintendent of H-BC
