## 2020-2021 Ada-Borup Distance Learning Opt-In Form

The Ada-Borup School District is committed to the academic success and well-being of each child. Therefore, a distance learning option is available for families who are not ready for their children to return to school. The option will be available to parents on a quarterly basis. Students may enter the full-time distance learning option at any time and must remain in this learning path for the remainder of any given school quarter, or until the school changes learning modes. Families will be granted a two (2) week window to return to face to face instruction that will begin when families originally opt-in to distance learning, or on the first day of each new quarter. Please complete one request per child, if you are making the request for multiple students.

I understand that by making this request, I am requesting for my child to be enrolled in distance learning program. I understand I have two (2) weeks from the first day my child participates in distance learning to return to the learning model the school is currently in. I understand that after these two weeks my child will remain in distance learning until the end of the quarter, or until the Ada-Borup School District changes learning modes.
