**2020-21  
 DIESEL DELIVERY SPECS**

Superior Central School District reserves the right to accept any or all bids or to choose the bid considered to be in their best interest.

**Premium Diesel Fuel:** The following specifications should be considered the minimum acceptable and all low sulfur diesel fuel must meet or exceed the ASTM Standards, be free of water, suspended matter and strong obnoxious odors. **Additives may not be used to achieve cetane index.**

Recognizing the fact that distributors cannot guarantee a fixed price for an extended length of time, Superior Central School will receive bids for diesel fuel that reflect a cost plus markup from lowest available rack price. It is estimated that we will need 10,000 gallons of fuel for the school year. Please list a price that excludes all applicable taxes.

Any other fees or charges should be listed separately. The actual bid for diesel fuel will be for how much money, in cents and fractions of cents, the distributor will sell for over costs. This method will require a copy of prices paid to manufacturer by distributor.

All deliveries are to be made freight paid, and must be accompanied with an invoice stating type, quantity and price. The invoice must be signed at time of delivery. Successful bidder will be required to monitor tank level. Deliveries are to be made as product is required.

Please direct any questions to Craig Anderson @ 906-439-5995.
