LEAP*
into Learning!
Learn, Evaluate, Analyze, Prepare

**Destination...
Graduation**

LEAP days for students in 5K-8th grade will still be August 17-21, but students will be scheduled to come meet with their teacher individually. Teachers will set up parent/teacher/student conference times to prepare them for eLearning days and to do some assessments.

** 4K orientation plans will be shared with parents by Principal Morrison.*
