August 2020

Dear Parents and Students,

I am excited to begin the 2020-21 school year. I am beginning my 41st year in education. This year promises challenges and an opportunity for everyone to show what it means to adapt to a changing environment and see that opportunities are created when we least expect them.

So much focus on education in the last few months has been Covid related. Although we have a plan, we will remain flexible and be prepared to adjust protocols to fit health department recommendations. We also understand that not everything will be able to be put into a document. We are very happy that Mrs. Denise Humlicek is our full-time nurse. She will be able to assist in planning and implementation of our plan, plus provide a caring environment for our students and staff that might use her services.

So, let me get away from Covid and tell you some other things that are going on. We have twelve new certificated staff! These staff members are excited to meet your children and provide them with quality instruction. Many of these teachers have extra duty assignments to further enhance their professional relationships with your children.

We also have several new classified staff members. These people will assist in making sure your child has a great experience at Shelby-Rising City.

Your child will also experience some changes in their educational program. We have implemented a new science program and will begin work on a new social studies curriculum. The Wonders reading program will be in the second year at the elementary and ICU will be moving forward at the secondary level. In January we will have our external accreditation visit.

All of these things reinforce our belief that things are never good enough. We can improve.

Please let us know if we can do anything to assist you or your children so that we can provide them with the best instruction possible.

Sincerely,

Doug Kluth, Superintendent
Shelby-Rising City Public Schools

August 2020 Newsletter

Cody Bobolz 6-12
Principal

Hello to All!

I hope everyone has had a safe and enjoyable summer. With this newsletter comes the excitement for the start of the 2020-2021 school year. We also understand that there is uncertainty and nervousness about what school will look like due to COVID-19. Regardless of what comes our way, we will do everything we can to provide the best education and environment for your son/daughter. This year, more than ever, we must work together and support each other. We are stronger together.

With a new school year always comes changes. As you read through the new staff bios, the most significant change is the number of new secondary teachers we welcome to the SRC family. Each one of our new teachers is excited to meet your child and his/her family. A big welcome to all the new faculty! We are excited to have you and anxiously await to see your talents in action. We also send a big thank you to our custodial crew for getting our classrooms and space ready for 2020-2021! They have done a lot of hard work this summer. Another thank you goes out to our Return to School Committee. All the members of the committee dedicated time over the summer to engage in difficult conversations and planning to ensure we provide a safe environment for our kids to return to school.

Power of ICU I wanted to provide some information on a new initiative for the 2020-2021 school year, Power of ICU. Over the last year, we have invested a lot of time and resources in preparing to implement this year. ICU stands for Intensive Care Unit, just like in the hospital. ICU is all about attacking student apathy and building a culture where students are held accountable for every assignment, while maintaining our focus on the standards in each content area. The Power of the ICU Formula is built on 3 parts: Completion + Quality Assignments + Healthy Grading Policies= Student Success.

An important piece of ICU is the communication database that is shared school-wide and tracks missing assignments of our students. The database will notify the student and the parent any time a student is placed on "the list" for a missing assignment. The communication piece of this system is so important as it alerts everyone involved with that particular student that their grade is "sick" and we need to get it better now! ICU is most effective when we are able to build an army of support behind every student, which includes parents. We need everyone on board in order to help build this culture. In making sure every student completes every assignment there are other parts to this equation, which include- extra time, extra help, seamless communication, restudy-retake, redo, and most importantly making sure grades reflect learning. We can no longer let students off the hook, but rather ensure that ALL students are earning their way through our system.

Another important aspect of ICU was building in advisory time into our schedule. Advisory time is called "Husky Time." We have built-in an 18-minute period from 11:42-12:00. This layer of support is in addition to our ICU time before and after school. Each student is assigned to a teacher that he or she will report to daily. This teacher is another part of each students' army. There are 2 goals with Husky Time: Attack the ICU list and build relationships. This time will also allow for team-building activities and serve as a way to ensure that every student in our building is being supported socially and emotionally.

August 2020

We are excited to start building this ICU culture. It is imperative that anyone and everyone associated with our students at SRC support ICU and what it is all about. Ultimately, it will take everyone to enable ALL our students to succeed! We encourage every parent to check-out the "Power of ICU" website (<https://www.poweroficu.com/>). Additional information will be provided during orientation.

Below are some important dates to be aware of:

August 12: 6:30-8:00 pm- 6-12 Orientation/Technology Roll-Out Night (South Gym)

August 12: 8:00-9:00 pm- 7-12 Activities Meeting (South Gym) August 17: First Day of School

Roll 'Skies!

FROM THE DESK OF THE ELEMENTARY PRINCIPAL

Welcome to the 2020-2021 School Year! We all know that this year is going to be a little different, but for us, different will be great! The staff misses the students and is eager to see them and get back to learning. We look forward to doing this in a modified and safe way here at S-RC. We are committed to a standard of excellence both with safety and with academic integrity, always placing students as our top priority. As the situation with COVID-19 is extremely dynamic and ever changing, we will continue to make proactive decisions that are grounded in care for our families and staff. We have a committee that together has planned our back to school strategies and procedures for a safe return that matches the Four Corners Health Department. Please access the plan on Thrillshare, the school's website, or the school's Facebook page to see how school will look based on the Health Department's Covid Risk Dial. Thank you for your patience thus far, and as we move forward. Our amazing staff has a wonderful year planned and we can't wait to get started. In preparation for the new beginnings, there are a few things I would like to bring to your attention so that we are all ready to go on Monday, August 17th.

- The first day of school for **ALL students** is Monday, August 17th. Elementary students who arrive prior to 8:00 am will be directed to either the South Gym or Activities Hallway, where social distancing will be practiced, to wait until being released to their classrooms at 8:00 am.
- Teachers will be outside on the morning of August 17th. Pictures and greetings will take place outside. Sadly, parents will not be allowed to come into the building to take their child(ren) to their locker or class.
- If you have paperwork to turn in, a table will be set-up outside. Mrs. Pospisil and Mrs. Glock will be available to answer questions.
- If you plan to pick up your child after school, please stay in or near your vehicle. Do not congregate around the elementary door. Teachers will safely get your child to you.
- Teachers/students will be using the playground doors at the end of the day in addition to the elementary door to spread out and not cause congestion.
- Due to Covid-19 concerns, we will NOT be hosting an Elementary Back to School Night. Hopefully, we can plan family fun nights later in the school year.
- For your convenience, information usually shared at Back to School Night is available in this digital newsletter, and is also available online and can be electronically accessed.
- Masks are recommended, but not required.
- Students in grades 3-5 should, in addition to the items listed on their supply list, bring a string bag - also known as a drawstring backpack. This will allow them to transfer their supplies from classroom to classroom without risk of sharing items.
- ALL students will be allowed to have a clear water bottle at school.

It is going to be an especially amazing year at S-RC! I look forward to seeing you when we return in person...hopefully August 17th!

WE ARE ONE! WE ARE S-RC!

School Year 2020 - 2021

Dear Parent/Guardian:

Children need healthy meals to learn. Shelby-Rising City Public Schools offers healthy meals every school day. Breakfast costs are \$1.45 for K-12. Lunch costs are \$2.30 for K-5th grades and \$2.45 for 6th-12th grades. **Your children may qualify for free meals or for reduced price meals.** Reduced price is .40 cents for meals and .30 cents for breakfast. If your children qualified for free or reduced-price meals at the end of last school year, you must submit a new application by September 20th. in order to avoid an interruption in meal benefits.

This packet includes an application for free or reduced-price meal benefits and a set of detailed instructions. Below are some common questions and answers to help you with the application process.

1. WHO CAN GET FREE OR REDUCED-PRICE MEALS?

- All children in households receiving benefits from the Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANFO or the Food Distribution Program on Indian Reservations (FDPIR) are eligible for meals.
- Foster children that are under the legal responsibility of a foster care agency or court are eligible for free meals.
- Children participating in their school's Head Start program are eligible for free meals.
- Children who meet the definition of homeless, runaway, or migrant are eligible for free meals.
- Children may receive free or reduced-price meals if your household's income is within the limits on the Federal Income Eligibility Guidelines. Your children may qualify for free or reduced-price meals if your household income falls at or below the limits on this chart.

2. HOW DO I KNOW IF MY CHILDREN QUALIFY AS HOMELESS, MIGRANT, OR

RUNAWAY? Do the members of your household lack a permanent address? Are you staying together in a shelter, hotel, or other temporary housing arrangement? Does your family relocate on a seasonal basis? Are any children living with you who have chosen to leave their prior family or household? If you believe children in your household meet these descriptions and haven't been told your children will get free meals, please call Shelby-Rising City Public Schools, 402-527-5946.

3. DO I NEED TO FILL OUT AN APPLICATION FOR EACH CHILD? No. Use one Free and Reduced-Price School Meals Application for all students in your household. We cannot approve an application that is not complete, so be sure to fill out all required information. Return the completed application to Shelby-Rising City Public Schools, PO Box 218, Shelby, NE 68662.

4. SHOULD I FILL OUT AN APPLICATION IF I RECEIVED A LETTER THIS SCHOOL YEAR

SAYING MY CHILDREN ARE ALREADY APPROVED FOR FREE MEALS? No, but please read the letter you got carefully and follow the instructions. If any children in your household were missing from your eligibility notification, contact Maritza Velasco Shelby-Rising City Public Schools, 402-527-5946, or e-mail mvelasco@shelby.esu7.org.

August 2020

5. MY CHILD'S APPLICATION WAS APPROVED LAST YEAR. DO I NEED TO FILL OUT A NEW ONE? Yes. Your child's application is only good for that school year and for the first few days of this school year. You must send in a new application unless the school told you that your child is eligible for the new school year. If you do not send in a new application that is approved by the school or you have not been notified that your child is eligible for free meals, your child will be charged the full price for meals.

6. I GET WIC. CAN MY CHILDREN GET FREE MEALS? Children in households participating in WIC may be eligible for free or reduced-price meals. Please send in an application.

7. WILL THE INFORMATION I GIVE BE CHECKED? Yes. We may also ask you to send written proof of the household income you report.

8. IF I DON'T QUALIFY NOW, MAY I APPLY LATER? Yes, you may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may become eligible for free and reduced priced meals if the household income drops below the income limit.

9. WHAT IF I DISAGREE WITH THE SCHOOL'S DECISION ABOUT MY APPLICATION? You should talk to school officials. You may ask for a hearing by calling or writing to: Doug Kluth, Shelby-Rising City Public Schools, Box 218, Shelby, NE 68662.

10. MAY I APPLY IF SOMEONE IN MY HOUSEHOLD IS NOT A U.S. CITIZEN? Yes, You, your children, or other household members do not have to be U.S. citizens to apply for free or reduced-price meals.

11. WHAT IF MY INCOME IS NOT ALWAYS THE SAME? List the amount you normally receive. For example, if you normally make \$1000 each month, but you missed some work last month and only make \$900, put down that you made \$1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.

12. WHAT IF SOME HOUSEHOLD MEMBERS HAVE NO INCOME TO REPORT? Household members may not receive some types of income we ask you to report on the application or may not receive income at all. Whenever this happens, please write a 0 in the field. However, if any income fields are left empty or blank, those will also be counted as zeroes. Please be careful when leaving income fields blank, as we will assume you meant to do so.

13. WE ARE IN THE MILITARY. DO WE REPORT OUR INCOME DIFFERENTLY? Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food, or clothing, or receive Family Subsistence Supplemental Allowance payments, it must also be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. Any additional combat pay resulting from deployment is also excluded from income.

14. WHAT IF THERE ISN'T ENOUGH SPACE ON THE APPLICATION FOR MY FAMILY? List any additional household members on a separate piece of paper and attach it to your application. Contact Maritza Velasco, Shelby-Rising City Public Schools, 402-527-5946 to receive a second application.

15. MY FAMILY NEEDS MORE HELP. ARE THERE OTHER PROGRAMS WE MIGHT APPLY FOR? To find out how to apply for SNAP or other assistance benefits, please go online to ACCESSNebraska.ne.gov or call 1-800-383-4278.

If you have other questions or need help, call 402-527-5946.

Should you have any questions regarding the policy, please feel free to call me at 402-527-5946.

Please find enclosed an application for free/reduced lunches. Shelby-Rising City Public School's state funding is dependent upon the number of free/reduced families that we have. It is **very important** that all families fill out this form to see if they qualify for free/reduced lunches. **If your family qualified last year, you will still need to apply for this school year.**
