

8.25 - CLASSIFIED PERSONNEL CELL PHONE USE

Use of cell phones or other electronic communication devices by employees during their designated work time for other than District approved purposes is strictly forbidden unless specifically approved in advance by the superintendent, building principal, or their designees.¹

District staff shall not be given cell phones or computers for any purpose other than their specific use associated with school business. School employees who use a school issued cell phones and/or computers for non-school purposes, except as permitted by District policy, shall be subject to discipline, up to and including termination. School employees who are issued District cell phones due to the requirements of their position may use the phone for personal use on an “as needed” basis provided it is not during designated work time.²

Except when authorized in Policy 8.24—SCHOOL BUS DRIVER’S USE OF MOBILE COMMUNICATION DEVICES, all employees are forbidden from using school issued cell phones while driving any vehicle at any time. Violation may result in disciplinary action up to and including termination.³

Except when authorized in Policy 8.24—SCHOOL BUS DRIVER’S USE OF MOBILE COMMUNICATION DEVICES, no employee shall use any device for the purposes of browsing the internet; composing or reading emails and text messages; or making or answering phone calls while driving a motor vehicle which is in motion and on school property. Violation may result in disciplinary action up to and including termination.⁴

Notes: This policy is similar to Policy 3.34. If you change this policy, review 3.34 at the same time to ensure applicable consistency between the two.

¹ The goal is to eliminate the use of cell phones during designated work time. You may change who has the authority to approve the use of cell phones if you wish to.

² The IRS has changed its position regarding the use of district issued cell phones for personal use for those employees who have a genuine **need** for a cell phone due to their job’s duties. Cell phones **cannot** be issues as a fringe benefit, but only as a “legitimate” need related to their job’s responsibilities. There is no longer a need to keep track of personal calls and claim their value as income. The district has the option of supplying the phone directly to the employee or of reimbursing the employee for the cost of his/her personal phone that is used for both District and personal purposes. Any such reimbursement can only be for the specific employee and not any other individuals associated with that employee’s cell phone plan. There has been no change to the use of school computers for personal purposes.

³ This sentence is included because insurance companies have ruled that injuries occurring while driving and talking on school issued cell phones are subject to workers comp awards.

⁴ This sentence was added due to the dangers involved for both drivers and pedestrians associated with distracted driving. A.C.A. § 27-51-1609 prohibits the use of a “wireless handheld telephone” while in a school zone for any purpose when that use is not hands free. While the policy language exceeds the statutory language, we believe the expanded language is important for the protection of students and employees alike.
