

8.40—CLASSIFIED PERSONNEL WEAPONS ON CAMPUS

Firearms¹

Except as permitted by this policy, no employee of this school district, including those who may possess a “concealed carry permit,” shall possess a firearm on any District school campus or in or upon any school bus or at a District designated bus stop.

Employees who meet one or more of the following conditions are permitted to bring a firearm onto school property.

- He/she is participating in a school-approved educational course or program involving the use of firearms such as ROTC programs, hunting safety or military education, or before or after-school hunting or rifle clubs;
- The firearms are securely stored and located in an employee’s on-campus personal residence and/or immediately adjacent parking area;²
- He/she is a registered, commissioned security guard acting in the course and scope of his/her duties.
- He/she is a certified law enforcement officer, either on or off duty;
- He/she has a valid conceal carry license and leaves his/her handgun in his/her locked vehicle in the district parking lot.

Possession of a firearm by a school district employee who does not fall under any of the above categories anywhere on school property, including parking areas and in or upon a school bus, will result in disciplinary action being taken against the employee, which may include termination or nonrenewal of the employee.

Other Weapons³

An employee may possess a pocket knife which for the purpose of this policy is defined as a knife that can be folded into a case and has a blade or blades of less than three (3) inches or less each. An employee may carry, for the purpose of self-defense, a small container of tear gas⁴ or mace which for the purpose of this policy is defined as having a capacity of 150cc or less. Employees are expected to safeguard such items in such a way as to ensure they are not possessed by students. Such items are not to be used against students, parents or other school district employees. Possession of weapons, knives or self-defense items that do not comply with the limits contained herein, the failure of an employee to safeguard such items, or the use of such items against students, parents or other school district employees may result in disciplinary action being taken against the employee, which may include termination or nonrenewal of the employee.

Employees who are participating in a Civil War reenactment may bring a Civil War era weapon onto campus with prior permission of the building principal. If the weapon is a firearm, the firearm must be unloaded.⁵

Notes: This policy is similar to Policy 3.48. If you change this policy, review Policy 3.48 at the same time to ensure applicable consistency between the two.

¹The possession of handguns and firearms is a very hot topic. In Arkansas, the laws governing their possession on school grounds are both complicated and less than clear. The two statutes most directly affecting schools are A.C.A. § 5-73-119 (herein after 119) and A.C.A. § 5-73-306 (herein after 306).

119 govern firearms (including handguns) while 306 deals strictly with concealed handguns (those guns having a barrel length of 12" or less).

. 119 prohibits firearms on "developed school property" while 306 prohibits concealed handgun permit holders from carrying their handguns into school buildings or events but permits the concealed carry licensee to leave a handgun in his/her locked vehicle at a publicly owned parking lot.

119 permits those who are on a "journey beyond the county in which a person lives" to carry handguns and firearms on school property. Technically, this would allow those employees who commute from outside the county in which they teach to bring their firearms to school. While we accept that concealed carry licensees may leave their handgun in their locked vehicle in the parking lot, we see this as complicated to enforce and generally problematic. Also, as we interpret the statute, parents visiting the school for an athletic or other event can bring their handgun, though it must be left in their locked vehicle, with them. We cannot control that through policy.

² If your district has housing for any employee and that employee chooses to have any firearms in the house, they should be kept in a very secure place. It would be wise to keep them in a locked gun safe so that no one other than the employee has access to them.

³ Select the option that works best for your district. In making your decision, note that in Option #2, you can choose to include only the first or the second sentence or you can keep both sentences. If you keep the first sentence, the length of the blade allowed is limited by A.C.A. § 5-73-120(b)(4) to less than three 3". Also, A.C.A. § 5-73-120(a) prohibits individuals from carrying a weapon "with a purpose to employ the...weapon against a person." Presumably, an employee could possess a small pocket knife with no intent to use it against another person. Inherent in making the decision on either sentence in Option #2 is the possibility of a student taking the knife or the tear gas and misusing it.

⁴ You can replace "tear gas" with "pepper spray" or leave "tear gas" in the policy and add "pepper spray."

⁵ While the policy language only specifically covers employees, A.C.A. § 6-5-502 permits any person who is a Civil War reenactor to bring a Civil War era weapon onto campus with the prior permission of the principal.
