

# Kickapoo Chromebook Protection Plan

## 2020-2021 Grades 4-12

Students in grades 4-12 have the option to purchase a \$15.00 yearly protection plan for their Chromebook. Under the plan, the District will cover a **one time repair** of the Chromebook. Replacement is at the discretion of the administration. A student will be responsible for the full cost of replacement if it is determined that damage has been caused by intentional abuse or misuse. If a Chromebook and/or charger is stolen, the student must file a police report.

Parents are encouraged to enroll their child's Chromebook into a yearly protection plan since the cost of replacement parts can range between \$20 - \$100, and new Chromebooks are around \$250.

Parents have the option to renew their child's protection plan after the first incident has been reported and repaired. The protection plan fee will increase an additional \$10.00 for each time it is renewed. (i.e. - initial plan fee = \$15, renewal fee after 1st incident = \$25, renewal fee after 2nd incident = \$35).

Your child must return this completed form before Aug 21, 2020 @ 3:00pm or their Chromebook will become disabled. **Please have your child return this form to their 1st hour teacher (MS/HS) or their normal teacher (Elem). DUE AUG 21, 2020 @ 3:30pm.**

---

Name of Student: \_\_\_\_\_

\_\_\_\_\_ Yes, I would like to purchase the annual Chromebook Protection Plan for my child. I have enclosed \$15.00. Checks payable to Kickapoo Area School District.

\_\_\_\_\_ I am opting out of the annual Chromebook Protection Plan. I understand that I am responsible for any damages to the Chromebook.

By signing below, my child and I also agree to the Kickapoo One-to-One Program, Procedures, and Pledge.
