

# 20-21 DTHS Back to School Information

## In Person Instruction

(Subject to Change)

**Start Date:** Monday 8/17

**Days:** Monday - Friday

**Instructional Time:** 8:10am - 2:10pm

**PPE:** Students are required to wear a mask at all times with the exception of instructed mask breaks and eating lunch. We understand this will be difficult for students and understand students will have to be reminded/told to keep their masks on. That being said, if a student is constantly having to be reminded, for the safety of students and staff, they could possibly be sent home for remote learning. If a student becomes combative/argumentative with staff about wearing a mask, they will be sent home to remote learning.

**Social Distancing:** Students are required to social distance as much as possible. Classrooms have been set up to accommodate social distancing guidelines. We understand this will be difficult for students and understand students will have to be reminded/told to keep distance from each other. That being said, if a student is constantly having to be reminded, for the safety of students and staff, they could possibly be sent home for remote learning. If a student becomes combative/argumentative with staff about social distancing, they will be sent home to remote learning.

**Arrival Procedure:** Students have been assigned an arrival time and entrance location. Students will be screened before entering the building. Students that do not meet screening criteria will not be allowed in the building and will be sent home.

**Lockers:** Hall lockers will not be used. Clear backpacks will be provided to students to carry their belongings throughout the day.

**Backpacks:** One clear backpack will be provided free of charge to each student. If a student's school issued backpack must be replaced for any reason, it will be at the expense of the student.

**PE Lockers:** PE lockers will be used and will be assigned by the PE teachers.

**Lunch:** Lunch period will look different each day based primarily on the students lunch choice. Please see the important points about lunch below.

- No Microwaves will be available
- No outside vendor food will be allowed to be delivered
  - Parents may drop off a sack lunch only (No DQ, Casey's, etc.)
- If a student forgets their lunch they may charge a cafeteria lunch
- If you purchase food from the Cafeteria, students will be assigned a location after getting through the lunch line
- If you do not purchase food from the cafeteria, students will eat in their 2nd/6th hour classroom (room assignments subject to change)

**Water Bottles/Drinks:** The water fountains have been disabled but the bottle fill feature still works on the fountains that have that capability. Students may carry a water bottle that has a screw-on lid. No tumblers or outside vendor drink containers are allowed (no Casey's coffee cups, McDonald's cups, etc.).

**Passing Periods:** Students will need to do their part during passing periods. That means moving directly from one period to the next without congregating and socializing in groups. This is a very unfortunate aspect of the return to school guidelines but there is nothing we can do about it.

**Restroom Use:** Restrooms can be used during passing periods but restrooms will be limited to a certain number of occupants based on the size of the bathroom. If a student makes an attempt to go to the bathroom but gets turned away due to occupancy, they will be allowed to use the restroom during class.

**End of the Day:** The student instructional day will end at 2:10pm. Students should exit the building immediately unless they need to speak to a teacher. Nothing should be left at the school at the end of the day. All materials should be taken home in the event the school would be closed down and forced to go remote unexpectedly.

**Deliveries:** If a parent needs to get an item to a student, they should ring the buzzer of the Main Office. There will be a cart located outside of the exterior door. Items that need to be delivered to a student will be placed on the cart. Please tell whoever answers the buzzer who the item is for and a staff member will deliver it. No parents will be allowed in the building.

**Student Pick Up During the Day:** Parents are not allowed to enter the building. If you need to pick your student up, please ring the Main Office buzzer and a staff member will direct your child out of the building.

**Sick Days:** Please see the Student Handbook for our Trojan 10 policy. This policy will not be revised. However, if a student is called in sick they may access their classes remotely and it will not be counted as an absence. **\*\*\*\*In order for it not to count for an absence the student must be logged on remotely to all classes at their scheduled time.** Attendance is defined as a student that is engaged in their class at the scheduled time either in person or remotely.
