

20-21 DTHS Back to School Information

Remote Learning Instruction

(Subject to Change)

Start Date: Monday 8/17

Days: Monday - Friday

Instructional Time: 8:10am - 2:10pm

Material Pick Up: Chromebooks and class materials will be available to pick up at the DTHS Main Office **Thu 8/13 and Fri 8/14 8:00am - 4:00pm**. If materials are unable to be picked up during these times, please call 584-6201 or email pittenga@dwrightk12.org to schedule an appointment to pick up materials.

Attendance: Students must be logged in to their class at the scheduled time each day. For example, if a student has 1st hour English with Mrs. Jensen, the student must be logged in at 8:10am using instructions from Mrs. Jensen. It is up to the teacher's discretion to decide how long that student remains on video streaming the class. But attendance must be taken at the beginning of every class period, and this applies to remote learners.

Sick Days: If the student is ill, and cannot login, a parent must call the Guidance Office at 584-6204 to report the student absent. Please see the Student Handbook for our Trojan 10 policy. This policy will not be revised. However, if a student is called in sick they may access their classes remotely and it will not be counted as an absence. ******In order for it not to count for an absence the student must be logged on remotely to all classes at their scheduled time.** Attendance is defined as a student that is engaged in their class at the scheduled time either in person or remotely.

Class Schedule: Class schedules are available on the student's Skyward account. If you need instructions on how to access it, please call 584-6200. Hard copies will be with the materials to be picked up. The first day will be an A Day (see Bell Schedule below).

Bell Schedule: Block Schedule (See Below)

7th Period	11:28 - 12:47 (79 Min)
8th Period	12:51 - 2:10 (79 Min)

Student Email: It is absolutely imperative that students check their school email multiple times a day. Email will be one of the most used communication tools between students and teachers.

Google Classroom: Teachers will use Google Classroom as the foundation for their class for both In Person and Remote Learning.

Google Hangout/Meet: Teachers will use Google Hangout/Meet for video interaction with students.

*****Remote learning is undoubtedly going to put more responsibility on the student. It is very important that Remote Learning students understand they are required to complete the same work/assignments/assessments, and participate in class just as if they were in the classroom.**
