Dear Box Elder Parents/Guardians,

Welcome to the 2020-2021 school year!

We will start our school with distance learning this year. Hopefully, we will be able to get a percentage of our students back on campus after Labor Day.

We will be providing meals to our Box Elder students whether they are on campus or not, however we need you to indicate whether or not you would like meals provided to your student. Please Let us know any food allergies your student has as well.

Yes Please provide meals to my student.

Please List Parents/Students names and food allergies

No I do not wish meals to be provided to my student at this time.

Please List Parent/Student name

All of us at Box Elder Public Schools would like to thank you for your time and patience during these uncertain times.

Thank You,
