

Student Use of the Internet and Electronic Communications
(Annual Acceptable Use Agreement)
Kindergarten – 6th Grade

If the user is under 18 years of age, a parent or guardian must sign this agreement.

As the parent or guardian of _____ (students full name), in the _____ grade, I have read the district's policy on Student Use of the Internet and Electronic Communications. I understand that access to the Internet and electronic communications is designed for educational purposes and that the school district has taken reasonable steps to block or filter material and information that is obscene, child pornography, or otherwise harmful to minors, as defined by the Board. I also recognize, however, that it is impossible for the school district to prevent access to all materials or information I might find harmful or controversial and I agree not to hold the district responsible for any such materials and information accessed by my child. Further, I accept full responsibility for supervision if and when my child's Internet or electronic communications use is not in a school setting.

I hereby release the school district from all costs, claims, damages or losses resulting from my child's use of district computers and computer systems, including use of the Internet and electronic communications, including but not limited to any user fees or charges incurred through the purchase of goods or services.

I hereby give permission to issue an Internet and electronic communications account for my child and certify that the information contained on this form is true and correct.

I also understand that the school uses web-based educational curriculum programs, such as Accelerated Reader and Accelerated Math to aid in the education of my child. I hereby authorize the school to let my child have access to these web-based programs for the intent of learning.

Consequences for student misuse of the Internet and/or school device will result in further restrictions placed on the student's use of the device and/or communications. The principal may also suspend a student from school (in-school or out of school) or from recess activities as deemed appropriate.

Your signature on this Acceptable Use Agreement is binding and indicates you have read the district's policy on Student Use of the Internet and Electronic Communications carefully and understand its significance.
