## SUCCESSFUL REMOTE LEARNING RECOMMENDATIONS

---

- Choose a distraction free space to conduct remote learning
- Headphones/earbud are recommended for videos and Google Meet sessions
- Read, watch, or listen to the directions and work carefully
- Know when your teacher(s) will be online and ask for help and explanations if needed
- Share work and discuss ideas with your teacher(s) and with other students, when appropriate
- If you have difficulty submitting assignments, let your teacher(s) know
- Ask questions if the assignment(s) is/are unclear
- Seek help when needed or if you are overwhelmed from parent/guardian, teacher(s), counselors, etc.
