

CANVAS PARENT APP

What is the Canvas Parent app?

In MSD of Warren Township, all virtual teachers and teachers in grades 5 -12 are using Canvas with their classes. You can use this guide to help you get the Canvas Parent app. Canvas Parent enhances the potential for parents to engage in their children's education. Parents can review upcoming or past assignments, check on grades, and receive course announcements and other course notifications. Canvas Parent can be used by anyone who creates an account, has been added to Canvas with an observer role, or has signed up as a parent using the web browser. **Parents can use the Canvas Parent app on all iOS and Android devices.**
