

## Felicity-Franklin Local Schools Controlled Dismissal Plan

In the event of a school emergency which requires a controlled release, students will be dismissed directly to their parents/guardians according to our crisis plan.

Please assist us by following the prescribed traffic flow plan. Doing so will help us ensure your child's safety.

Traffic Entering from North side of town must proceed to Market Street. Traffic entering from Ste. Rte. 222 South of town will be directed to enter Market Street from Harrison.

To ensure the safety of all students in the pick-up zone all traffic must exit to the North of town via Minor Street. No U-Turns at Public Library.
